

NOTIFICATION OF KEY DECISION TO BE TAKEN

GENERAL EXCEPTION NOTICE

DETAILS OF DECISION	
Title of Report	Gateway 1 - Bramcote Park procurement strategy
Description/Nature of matter requiring Key Decision	To approve the strategy for procuring a contractor to undertake hard and soft landscaping and improvement works at Bramcote Park, Verney Road, SE16.
Decision taker	Director of Planning and Growth
Date by which Key Decision must be taken	October 2024
Reason why it was impracticable for decision to be on the Forward Plan	The decision was not included on the October 2024 Forward Plan due to the timelines falling after the publication of the Plan. Adjustment to the scope of works is required to enable the proposal to be delivered in a single phase and consequent impact on costs.
Reason why the decision cannot wait for inclusion in the next Forward Plan	The next forward plan to be published will be the November 2024 Plan. Officers have a very tight programme to deliver the works this financial year to meet a commitment in the council plan and also to ensure that landscaping can be undertaken over the winter and spring. The decision cannot be delayed until November as the tender package needs to go out early October to meet these deadlines.
