Adopted planning policy

National Planning Policy Framework (NPPF)

1. The revised National Planning Policy Framework ('NPPF'), updated in 2023, sets out the national planning policy and how this should be applied. The NPPF focuses on sustainable development with three key objectives: economic, social and environmental. At its heart is a presumption in favour of sustainable development.
2. Paragraph 215 states that the policies in the Framework are material considerations which should be taken into account in dealing with applications.
3. The relevant chapters of the NPPF are:
 - Chapter 2 - Achieving sustainable development
 - Chapter 6 - Building a strong, competitive economy
 - Chapter 7 - Ensuring the vitality of town centres
 - Chapter 8 - Promoting healthy and safe communities
 - Chapter 9 - Promoting sustainable transport
 - Chapter 11 - Making effective use of land
 - Chapter 12 - Achieving well-designed places
 - Chapter 14 - Meeting the challenge of climate change, flooding and coastal change
 - Chapter 15 - Conserving and enhancing the natural environment
 - Chapter 16 - Conserving and enhancing the historic environment

London Plan

4. In March 2021, the Mayor of London published the London Plan. The spatial development strategy sets a strategic framework for planning in Greater London and forms part of the statutory Development Plan for Greater London.
5. The strategic objectives of the London Plan are to build strong and inclusive communities, make the best use of land, promote a healthy city, optimise housing delivery including affordable housing, conserve and enhance London's global competitiveness, and move towards a more resilient and sustainable city. Development proposals must comply with the various policies within the Plan and should follow the guidance set out within Supplementary Planning Documents, Guidance and Strategies.
