A licence may not be held by an individual or an individual in a partnership who is resident in the UK who:

- does not have the right to live and work in the UK; or

Applicants must demonstrate that they have an entitlement to work in the UK and are not subject to a condition preventing them from doing work relating to the carrying on of a licensable activity. They do this in one of two ways: 1) by providing with this application copies or scanned copies of the documents listed below (which do not need to be certified), or 2) by providing their 'share code' to enable the licensing authority to carry out a check using the Home Office online right to work checking service (see below).

Family members of European Economic Area nationals who are studying or financially independent must also provide evidence that the European Economic Area national and any family members hold comprehensive sickness insurance in the UK. This can include a private medical insurance policy, an EHIC card or an S1, S2 or S3 form.

Original documents must not be sent to licensing authorities. If the document copied is a passport, a copy of the following pages should be provided:

- (i) any page containing the holder's personal details including nationality;
- (ii) any page containing the holder's photograph;
- (iii) any page containing the holder's signature;

Business - Application for a premises licence to be granted under the Licensing Act 2003
(iv) any page containing the date of expiry; and
(v) any page containing information indicating the holder has permission to enter or remain in
the UK and is permitted to work.
If the document is not a passport, a copy of the whole document should be provided.
Your right to work will be checked as part of your licensing application and this could involve us checking your immigration status with the Home Office. We may otherwise share information with the Home Office. Your licence application will not be determined until you have complied with this guidance.
Home Office online right to work checking service
As an alternative to providing a copy of the documents listed above, applicants may demonstrate their right to work by allowing the licensing authority to carry out a check with the Home Office online right to work checking service.
To demonstrate their right to work via the Home Office online right to work checking service, applicants should include in this application their 9-digit share code (provided to them upon accessing the service at https://www.gov.uk/prove-right-to-work) which, along with the applicant's date of birth (provided within this application), will allow the licensing authority to carry out the check.
In order to establish the applicant's right to work, the check will need to indicate that the applicant is allowed to work in the United Kingdom and is not subject to a condition preventing them from doing work relating to the carrying on of a licensable activity.
An online check will not be possible in all circumstances because not all applicants will have an immigration status that can be checked online. The Home Office online right to work checking service sets out what information and/or documentation applicants will need in order to access the service. Applicants who are unable to obtain a share code from the service should submit copy documents as set out above.

General description of premises (see guidance note 1)

Background Purposes Only.
The Arch Company is the UK's largest small business landlord, serving thousands of business owners who make a unique and vital contribution to the UK economy. With a property portfolio of approximately 5,200 railway arches, business estates, former station buildings and other properties, The Arch Company is proud to be the landlord to a diverse, passionate group of small business owners, entrepreneurs and community organisations across England and Wales.

The Arches at 36 – 39 America Street are newly refurbished commercial units in the heart of Southwark.

Southwark Policy.

The premises do sit within the Southwark Cumulative Impact Policy (CIP). However, these premises are small in size and the application seeks hours similar to the framework hours suggested within the policy. The locations are not residential and provide an opportunity to develop sites which are currently vacant.

Conditions have been offered within the application which we believe to be proportionate and adequate for the style and size of the operations.

Due to the reasons listed above we believe the application promotes the Licensing Objectives.

Application.

The applicant is the landlord who will not operate the premises but will transfer to a suitable tenant when identified.

We are making the application because, in challenging economic times, it is more attractive to an independent operator to take a premises with a premises licence thus avoiding the time and costs involved in making the application.

General description of premises (see guidance note 1)

Background Purposes Only. The Arch Company is the UK's largest small business landlord, serving thousands of business owners who make a unique and vital contribution to the UK economy. With a property portfolio of approximately 5,200 railway arches, business estates, former station buildings and other properties, The Arch Company is proud to be the landlord to a diverse, passionate group of small business owners, entrepreneurs and community organisations across England and Wales.

The Arches at 36 – 39 America Street are newly refurbished commercial units in the heart of Southwark.

Southwark Policy.

The premises do sit within the Southwark Cumulative Impact Policy (CIP). However, these premises are small in size and the application seeks hours similar to the framework hours suggested within the policy. The locations are not residential and provide an opportunity to develop sites which are currently vacant.

Conditions have been offered within the application which we believe to be proportionate and adequate for the style and size of the operations.

Due to the reasons listed above we believe the application promotes the Licensing Objectives.

Application.

The applicant is the landlord who will not operate the premises but will transfer to a suitable tenant when identified.

We are making the application because, in challenging economic times, it is more attractive to an independent operator to take a premises with a premises licence thus avoiding the time and costs involved in making the application.

If 5,000 or more people are expected to attend the premises at any one time please use the drop down below to select the number.

General description of premises (see guidance note 1)

Background Purposes Only. The Arch Company is the UK's largest small business landlord, serving thousands of business owners who make a unique and vital contribution to the UK economy. With a property portfolio of approximately 5,200 railway arches, business estates, former station buildings and other properties, The Arch Company is proud to be the landlord to a diverse, passionate group of small business owners, entrepreneurs and community organisations across England and Wales.

The Arches at 36 – 39 America Street are newly refurbished commercial units in the heart of Southwark.

Southwark Policy.

The premises do sit within the Southwark Cumulative Impact Policy (CIP). However, these premises are small in size and the application seeks hours similar to the framework hours suggested within the policy. The locations are not residential and provide an opportunity to develop sites which are currently vacant.

Conditions have been offered within the application which we believe to be proportionate and adequate for the style and size of the operations.

Due to the reasons listed above we believe the application promotes the Licensing Objectives.

Application.

The applicant is the landlord who will not operate the premises but will transfer to a suitable tenant when identified.

We are making the application because, in challenging economic times, it is more attractive to an independent operator to take a premises with a premises licence thus avoiding the time and costs involved in making the application.

If 5,000 or more people to select the number.	e are expected to attend the premises at any one time please use the drop down below

General description of premises (see guidance note 1)

Background Purposes Only. The Arch Company is the UK's largest small business landlord, serving thousands of business owners who make a unique and vital contribution to the UK economy. With a property portfolio of approximately 5,200 railway arches, business estates, former station buildings and other properties, The Arch Company is proud to be the landlord to a diverse, passionate group of small business owners, entrepreneurs and community organisations across England and Wales.

The Arches at 36 – 39 America Street are newly refurbished commercial units in the heart of Southwark.

Southwark Policy.

The premises do sit within the Southwark Cumulative Impact Policy (CIP). However, these premises are small in size and the application seeks hours similar to the framework hours suggested within the policy. The locations are not residential and provide an opportunity to develop sites which are currently vacant.

Conditions have been offered within the application which we believe to be proportionate and adequate for the style and size of the operations.

Due to the reasons listed above we believe the application promotes the Licensing Objectives.

Application.

The applicant is the landlord who will not operate the premises but will transfer to a suitable tenant when identified.

We are making the application because, in challenging economic times, it is more attractive to an independent operator to take a premises with a premises licence thus avoiding the time and costs involved in making the application.

If 5,000 or more people to select the number.	e are expected to attend the premises at any one time please use the drop down below
