Southwark Policy.

These premises are small in size and the application seeks hours similar to the framework hours suggested within the policy. The locations are not residential and provide an opportunity to develop sites which are currently vacant.

Conditions have been offered within the application which we believe to be proportionate and adequate for the style and size of the operations.

Due to the reasons listed above we believe the application promotes the Licensing Objectives.

Application.

The applicant is the landlord who will not operate the premises but will transfer to a suitable tenant when identified.

We are making the application because, in challenging economic times, it is more attractive to an independent operator to take a premises with a premises licence thus avoiding the time and costs involved in making the application.

If 5,000 or more people are expected to attend the premises at any one time, please state the number expected to attend.

Any licence issued in respect of an application made on or after 6 April 2017 will become invalid if the holder ceases to be entitled to work in the UK.

Applicants must demonstrate that they have an entitlement to work in the UK and are not subject to a condition preventing them from doing work relating to the carrying on of a licensable activity. They do this in one of two ways:

1. by providing with this application copies or scanned copies of the documents which an applicant may provide to demonstrate their entitlement to work in the UK (which do not need to be certified) that are published on GOV.UK and in guidance issued under section 182 of the Licensing Act 2003.
2. by providing their 'share code' to enable the licensing authority to carry out a check using the Home Office online right to work checking service (see below)

Home Office online right to work checking service

As an alternative to providing a copy of original documents, applicants may demonstrate their right to work by allowing the licensing authority to carry out a check with the Home Office online right to work checking service.

To demonstrate their right to work via the Home Office online right to work check service, applicants should include in this application their 9-digit share code (provided to them upon accessing the service at <https://www.gov.uk/prove-right-to-work>) which, along with the applicant's date of birth (provided within this application), will allow the licensing authority to carry out the check.

In order to establish the applicant's right to work, the check will need to indicate that the applicant is allowed to work in the United Kingdom and is not subject to a condition preventing them from doing work relating to the carrying on of a licensable activity.

An online check will not be possible in all circumstances because not all applicants will have an immigration status that can be checked online. The Home Office online right to work checking service sets out what information and /or documentation applicants will need in order to access the service. Applicants who are unable to obtain a share code from the service should submit copies of documents as set out above.

Your right to work will be checked as part of your licensing application and this could involve us checking your immigration status with the Home Office. We may otherwise share information with the Home Office. Your licence application will not be determined until you have complied with this guidance.
