Dear Sirs,

Please find attached for your consideration copies of representations that have been submitted in regards to the application to vary the premises licence issued in respect of the above premises.

If you would like to provide a conciliation statement in regards to the representations and / or amend your application in anyway please inform me and I will forward any written statement or comments you have to the interested parties.

Alternatively a conciliation meeting with the interested parties can be arranged if both the applicant and all interested parties are amenable to such a meeting. Usually it is proposed that the conciliation meeting takes place in the premises that the application has been submitted in respect of. Please let me know if you would like a conciliation meeting to be arranged

If conciliation is not possible a Licensing-Sub Committee hearing will be convened to consider the application, all relevant representations and to determine the application.

If you require any further clarification of the above please contact me.

Regards,

**Wesley McArthur**
