How does the scheme work?

Applications will be screened to make sure they meet the criteria above. Remember that eligibility for the scheme is also conditional on the applicant providing all the necessary information outlined in the application form which includes evidence on how they are or will be complying with appropriate safeguarding and health and safety policies.

Applications not fulfilling any of the above criteria will not be considered.

Locally elected councillors will be responsible for making decisions on all the eligible applications using the priorities outlined below:

- Applications that show a high level of involvement by the local community.
- Applications that involve groups working together.
- Activities delivered by:
 - New and emerging groups/individuals
 - Groups who have not received community council funding in the last two years
 - Groups who are based in the community council area.
- Activities taking place within the community council area – unless they involve an outing, or there is lack of space for it within the area.
- Where the majority of people benefitting from the activity live within the community council area.

Decisions for applications will be made and announced by councillors at the first community council meeting which will take place after the end of May 2011.

Every applicant will be notified of decisions by letter no longer than 15 working days after the decision is taken. Successful applicants will be asked to sign and return a condition of funding agreement. It is only once this agreement has been received that we can release the funding.

So when planning your activity please make sure that you give enough time for this and that it does not start until at least four weeks after the decision date.

Please note that groups that are not constituted or individuals who would like to apply with project ideas should get in touch with the community council development officer (contact details below) for advice as soon as possible.

Remember all applications – whether online, email or post - must reach us by Tuesday 14 June 2011.
