RECOMMENDATION

1. To receive the report: CYPP Review 2011, presented to Southwark's Children and Families' Trust Executive.

BACKGROUND INFORMATION

2. The Children and Young People's Plan (CYPP) is the overarching strategic framework for services for children, young people and families in Southwark. It was approved by Council Assembly on 24 March 2010 and came into force on 1 April 2010.
3. At the 12 January 2011 Education and Children's Services Scrutiny Sub-Committee meeting, members agreed to jointly monitor the CYPP at quarterly meetings with Southwark Youth Council, and in line with the statutory duties set out in government guidance regarding plans' development and delivery. A report was presented at the scrutiny sub-committee meeting on 11 April 2011 as part of the introductory session to the CYPP.
4. The report at Appendix 1 was provided to Southwark Children and Families' Trust Executive meeting on 22 September 2011.

Community impact statement

5. Although this report is an update briefing, the issues covered affect all sections of the community. Equality and diversity issues were central to the development of the CYPP, and underpin its priorities. Further, potential impact on the community is central to the children's trust's risk and assurance framework, ensuring that any potential issues are flagged for the trust's consideration.
