

Scrutiny review proposal

1 What is the review?

Ageing of Adults with Complex Needs (Entry into Adult Social Care and Later Life)

2 What outcomes could realistically be achieved? Which agency does the review seek to influence?

Southwark Council – Social Care

Southwark Council – provision of universal services

Clinical Commissioning committee – to ensure good integration

Voluntary providers

3 When should the review be carried out/completed? i.e. does the review need to take place before/after a certain time?

Finalised by 14 March 2012

4 What format would suit this review? (e.g. full investigation, Q&A with cabinet member/partners, public meeting, one-off session)

Full investigation

5 What are some of the key issues that you would like the review to look at?

How the council, community and disabled residents can best cope demographic pressures, rising expectations and a contraction in resources.

6 Who would you like to receive evidence and advice from during the review?

Disabled residents and disabled people groups

Officers

Statutory, voluntary and community providers

7 Any suggestions for background information? Are you aware of any best practice on

this topic?

This will be sourced

8 What approaches could be useful for gathering evidence? What can be done outside committee meetings?

e.g. verbal or written submissions, site visits, mystery-shopping, service observation, meeting with stakeholders, survey, consultation event

Visits to settings (Day services, outreach provision, care homes)

Call for evidence from service users and providers, both statutory and voluntary

Officer advice

Visits to disabled peoples groups (Cambridge House , Speaking up , Southwark Disability Forum etc)

Call for academic research , particularly around demographics , policy shifts and best practice
