# 1. Introduction

The Peckham and Nunhead Area Action Plan (AAP) is a planning document that will help bring long-lasting improvements to Peckham and Nunhead. It does this by making sure that over the next fifteen years we get the right development needed to support a healthy, safe and prosperous community and a fairer future for all in Peckham and Nunhead.

The area action plan will change the planning policies for Peckham and Nunhead, and will control things like:

- The look and function of Peckham town centre, including the mix of shops and other activities;
- The type of development on large sites;
- The size and design of new buildings;
- The amount and type of new homes built and their location;
- The impact of new development on the environment and traffic;
- The infrastructure needed to ensure growth in the area can be accommodated sustainably, including improvements to open spaces, schools, health facilities and leisure facilities.

The AAP will help fund improvements over the long term by making sure private developers contribute to things like improving public spaces, affordable homes, upgrading public transport and improving community facilities.

The process of developing and preparing area action plans needs to involve local community groups, residents, landowners, developers and businesses at each stage to ensure that the plan meets the needs of those living in, working in and visiting Peckham and Nunhead. We are now at our fifth stage of consultation, which we call the 'preferred option'.

## 2. How we are consulting on the area action plan (AAP)

This consultation plan sets out the consultation we are planning to carry out for the Peckham and Nunhead AAP preferred option. This is in accordance with our adopted statement of community involvement (2008), which explains how we will consult the community in the preparation of planning policy documents. The following section sets out how we plan to meet the minimum statutory consultation requirements and how we will exceed these requirements where appropriate.

We are inviting people to provide us with comments on the draft AAP. We will provide officer comments on all the responses we receive, which will set out how the comments have informed our preparation of the next stage of the AAP. At the next stage of consultation these comments and our officer comments will be put on our website and in our libraries, and Cabinet will be provided with these comments to consider when agreeing the next version of the AAP for consultation. At each stage of consultation we will also set out within our consultation report how we have met the requirements of our statement of community Involvement.

This consultation plan should be read alongside the following documents:

- **The Peckham and Nunhead Area Action Plan preferred option**  
This is the main document we are consulting on. It sets out our preferred option for a range of policies that will shape development in Peckham and Nunhead over the next fifteen years and also our preferred approach for a number of individual sites in the area.
- **The consultation strategy**  
This sets out our strategy for consulting throughout the whole Peckham and Nunhead AAP preparation period. It sets out how people can get involved, what we do with people's comments, and the many groups we hope to involve in our consultation.
- **The consultation report**  
The consultation report sets out summaries of the comments we received at each stage of consultation as well as officer comments on every representation we received, showing how we have taken each comment into account. It also summarises the consultation we have carried out on each stage of the AAP. This is updated at every stage of consultation.
- **The schedule of changes to the proposals map**  
The schedule shows the changes that the AAP will make to Southwark's proposals map. Once the AAP is adopted, the proposals map will be updated to reflect these changes.
- **The appropriate assessment**  
The appropriate assessment has been carried out under the EU Habitats Directive and assesses the impact of the preferred option on EU protected wildlife habitats

- **The background papers**

The background papers set out information on the key evidence and statistics that have informed the AAP

- **The interim sustainability appraisal**

The sustainability appraisal looks at the economic, environmental and social impacts of the AAP.

- **The interim equalities impact assessment**

This assesses the likely impact of the AAP on the nine protected characteristics groups, as identified in the Equality Act 2010 (age, disability, gender re-assignment, marriage and civil partnership, pregnancy and maternity, race, religion or belief, sex and sexual orientation). Broadly, it looks at the impact of the AAP in relation to equality, diversity and social cohesion.

All of these documents can be found on our website at:

<http://www.southwark.gov.uk/futurepeckham>

These documents will also be available in all of our libraries and locations listed in appendix A after Cabinet have agreed the preferred option document for formal consultation. Formal consultation is due to start on the 13 March 2012.

### 3. The timetable and methods of consultation

#### ***Consultation timeframe***

We have found that the statutory six weeks consultation period is too short for effective consultation on planning policy documents. We will therefore carry out a period of minimum of six weeks informal consultation in addition to the statutory six week formal consultation period. This is set out in our statement of community involvement. We do this in order to make sure there is enough time for you to read the AAP and submit comments. Informal consultation begins five working days before the AAP goes to Cabinet to seek approval for consultation, as this is when the AAP is made publically available on our website.

Informal consultation begins on the 31 January and ends on the 12 March 2012.  
Formal consultation begins on the 13 March and ends on the 24 April 2012.

**All responses must be received by 5pm on Tuesday 24 April 2012.**

#### ***Consultation methods***

In summer 2011, we introduced a new stage of consultation, which we referred to as the 'towards a preferred option' stage. At this stage we set out our preferred approach for many policies and sites, but for others we presented several options and sought views through the consultation on which would be most appropriate for Peckham and Nunhead. The range of consultation we carried out is set out in section 5 of our consultation report.

The tables below set out the different consultation methods we propose to use for the preferred option. We hope to consult with as many people as possible, from a range of groups, organisations and areas in Peckham and Nunhead. We aim to engage with many different groups and individuals within Peckham and Nunhead so that the final AAP reflects the needs and aspirations of our diverse community. If you would like us to attend your community meeting to discuss the AAP then please let us know.

We set out the statutory minimum required to meet Government regulations and the further methods additional to the statutory requirements that we propose to carry out. We set out dates where we have meetings confirmed. We also set out the key consultee group that the consultation method is aimed at.

The list of events and consultation activity in this plan is not exhaustive and we are in the process of organising further consultation. We will update this continually on our website at:
