Slide 1

Southwark Local Economy

Expansion of London's CAZ 1998 – 2007

•Southwark business base increase of 35%

(Inner London 12% - London 13%)

•21,600 additional jobs – a 15% increase, (London 8%)

However

Rates of worklessness remain high •concentrated in **demographic groups** •and in specific **geographical areas** (shadowing the general pattern of deprivation in the borough

National Policy - Welfare Reform

Key features -

shift from passive to active benefit claim pathways
making work pay and be seen to pay
increasing conditionality for receipt of out of work benefits
a new DWP delivery and commissioning model - launch of the Work Programme in June 2011

Southwark Council Economic Development Team	Slide 3
8 th February 2012	www.southwark.gov.uk

DWP Work Programme

•Three 'prime contractor' delivery networks, competing across London East (17 boroughs) over seven years

•Mandatory referral by Jobcentre Plus according to claimant group -

25 yrs plus jobseekers after 12 months
 earlier referrals for young people and disadvantaged groups such as NEETs and offenders/ex-offenders.

•Staged payments by results (majority of the payment for each client dependent on completion of sustained employment over 2 years)

Southwark Council Economic Development Team	Slide 4

Removal of local funding (WNF)

•2010-11 – £4m commissioning for employment and enterprise •2011-12 - £0.7m

Highlights

•75 new business start-ups in 2010/11
•15 in 2011-12
•462 people into jobs for 6 months + in 2010/2011
•127 in 2011-12

•Review of commissioning & contracting to achieve cheaper and more efficient delivery of employment and enterprise support.

Southwark Local Economy Group Strategic Priorities

Partnership of main providers of employment support, adult vocational training, business/employer representatives - Jobcentre Plus, 3 DWP Work Programme providers, Southwark College, Skills Funding Agency, BIDs, LSBU, local business support agencies)

Strategic Priorities (employment)
Remove the barriers to work faced by priority groups
Increase business and employer engagement
Raise skills for sustained employment

Employment Trends

Employment deprivation:

- 2nd most deprived in London in 2007 4th in 2010.
- Nationally improved from 22nd to 33rd.

Employment rate: 64% 2007 - 67.2% in 2011

<u>Unemployment Rate</u> 10.5% (London 9.1%; National 7.7%)

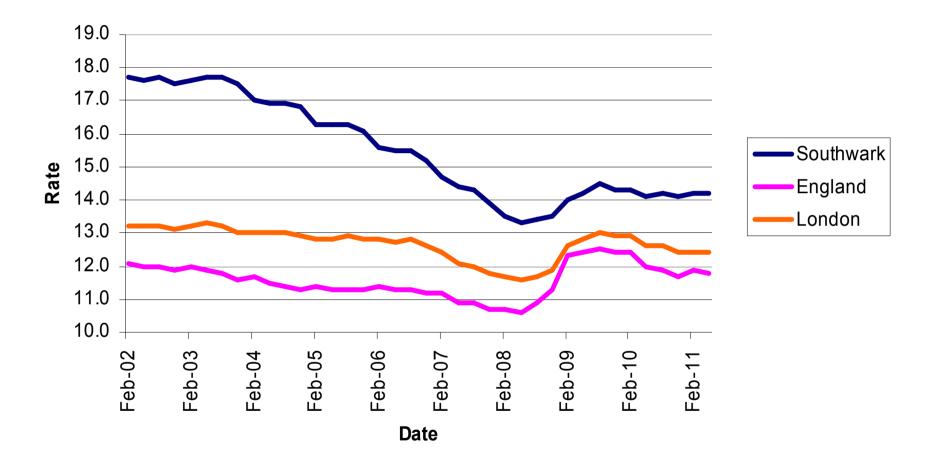

29,980 working age residents (14.2%) claim an out of work benefit

The gap has narrowed and we're maintaining performance despite recession

Southwark Council Economic Development Team 8th February 2012

Slide 7

Out of work benefits

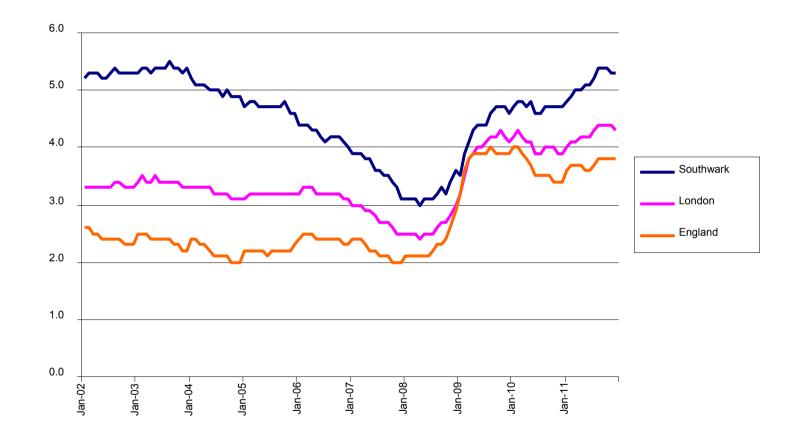

Southwark Council Economic Development Team 8th February 2012

Slide 8

•2008 - 2011 saw a 60% rise in unemployment,

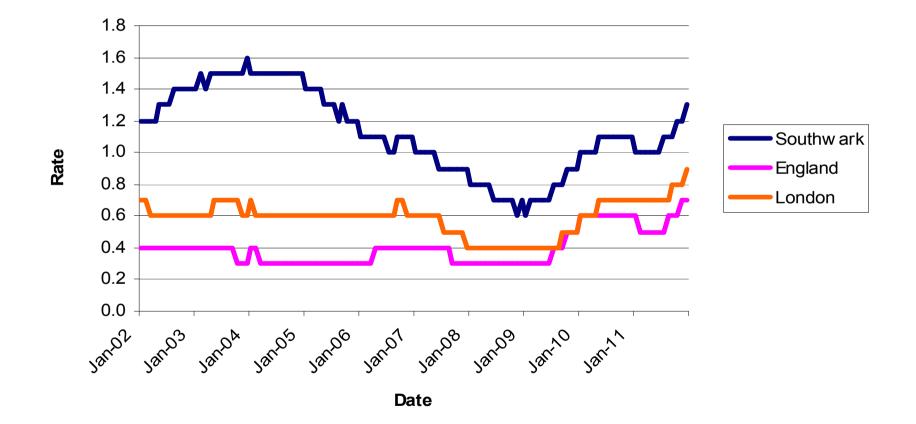

•long-term unemployment (JSA claims over 12mths) rising by 100% in the same period

Southwark Council Economic Development Team 8th February 2012
