Dear Sirs

I write to acknowledge receipt of an application by Waheed Allahgul for the grant of a Premises Licence under the Licensing Act 2003 in respect of the above premises.

Police would wish to offer a representation to this application on the grounds that the applicant has not sufficiently addressed the Licensing Objective regarding the prevention of Crime and Disorder (or, indeed, that of the protection of children from harm).

There are many and varied conditions that could be added to any Premises Licence that the Licensing Committee may choose to grant for these premises in order to assist in the promotion of the said Licensing Objective. I have listed below those which the applicant, should he decide that the hours sought in this application are necessary for the running of his business, may wish to consider adopting:

- A Personal Licence holder being on the premises at all times that intoxicating liquor is sold or supplied
- An approved CCTV system to be installed both inside and outside of the premises with as 31-day tape library
- The adoption and implementation of a recognised Proof of Age scheme, including the use of a Refusal Book for the purpose of recording all refused sales of age-related products
- A recognised Training scheme for all staff concerned with the sale or supply of intoxicating liquor, records of which shall be kept and made available for inspection, on request, by Police or Council officers

Further to the above, Police would also wish to offer a representation to the appointment of the applicant as the proposed Designated Premises Supervisor for these premises.

This representation is based on the applicant's former involvement with another licensed premises where sales of alcohol were made on several separate occasions to persons under the age of eighteen - despite warnings and advice being given to the applicant who put himself forward at the time as being the venue's Designated Premises Supervisor (a position that was subsequently found to be misleading).

Yours faithfully
