

<b>Item No.</b> 15	<b>Classification:</b> Open	<b>Date:</b> 25 April 2012	<b>Meeting Name:</b> Borough & Bankside Community Council
<b>Report title:</b>		Cleaner Greener Safer: Funding Reallocation	
<b>Ward(s) or groups affected:</b>		Cathedrals	
<b>From:</b>		Head of Public Realm	

## RECOMMENDATIONS

1. That Borough and Bankside Community Council note the unallocated amount of £1,954 from the 2012-13 Cleaner Greener Safer funding be approved to relocation of cycle lockers in Trundle Street, SE1.

## BACKGROUND INFORMATION

2. Cleaner Greener, Safer (CGS) is part of the London Borough of Southwark's capital programme. Between 2003 and 2010 £3.25m has been made available each year for local residents to apply for awards to make their local area a better place to live. The programme attracts hundreds of proposals ranging from a few hundred pounds for bulb planting to brighten up open spaces to tens of thousands of pounds to create community gardens. These projects often introduce new ideas such as outdoor gyms in public spaces, community gardens, public art and energy saving projects which not only make the borough cleaner, greener and safer but greatly contribute to a sustainable public realm by involving residents in the funding process and in the delivery of projects.

## KEY ISSUES FOR CONSIDERATION

3. It is recommended that unallocated amount of £1,954 contained within the 2012-13 capital programme be allocated to relocation of Trundle Street cycle lockers.
4. The cycle lockers are already sited in Trundle Street on the pavement adjoining Mint Street Park. At the time of installation, the lockers were located by Mint Street park boundary wall. This wall was demolished in 2010 and replaced with a boundary fence. The advantage of the fence is to make the park more open and visible from the outside and improves the safety of the park. The lockers now impede visibility and a new site in Trundle Street has been identified to relocate the lockers to.
5. It is recommended that the remaining £1,954 in the 2012/13 CGS allocation be awarded to Trundle Street lockers relocation.

## Policy implications

6. N/A

### **Community impact statement**

7. The reallocation of funding will have a positive impact on the community and improve the public space in Cathedrals ward. Cathedrals Safer Neighbourhood Team fully support the relocation.

### **Resource implications**

8. This is the allocation of remaining 2012-13 CGS funding. CGS funding is devolved to community councils to spend on suitable projects. Management of the reallocation of the funding will be contained within existing budgets.

### **Consultation**

9. All Cleaner Greener Safer projects require consultation with stakeholders, including the project applicant, local residents and Tenants and Residents Associations where appropriate. This consultation has already taken place.

### **SUPPLEMENTARY ADVICE FROM OTHER OFFICERS**
