Richard

I write in support of bacon colleges recent application.

The College serves the community in a wide range of activities from junior football academies, badminton, tennis five a side football to weddings and local church groups.

I understand the main objection from residents is the parking and noise levels;

to this end I have been advised that bacons have put in place magnetic locks on doors to stop them being opened to reduce noise levels and they are reducing their closing time for parties from 01:00 to midnight and they have 80 parking spaces, they cannot stop people parking along Timber pond road as there are no yellow lines. The introduction of these should be considered by highways.

Regards
 Jeff hook
 Councillor - rotherhithe ward
 Mayor of southwark
