1. Introduction

- 1.1. The Peckham and Nunhead Area Action Plan (AAP) is a planning document that will help bring long-lasting improvements to Peckham and Nunhead. It does this by making sure that over the next ten to fifteen years we get the right development needed to support a healthy, safe and prosperous community and a fairer future for all in Peckham and Nunhead.
- 1.2. The area action plan will change the planning policies for Peckham and Nunhead and will control things like:
 - The look and function of Peckham town centre, including the mix of shops and other activities
 - The type of development on large sites
 - The size and design of new buildings
 - The amount and type of new homes built and their location
 - The impact of new development on the environment and traffic
 - The infrastructure needed to ensure growth in the area can be accommodated sustainably, including improvements to open spaces, schools, health facilities and leisure facilities.
- 1.3. The AAP will help fund improvements over the long term by making sure private developers contribute to things like improving public spaces, affordable homes, upgrading public transport and improving community facilities.
- 1.4. The process of developing and preparing area action plans needs to involve local community groups, residents, landowners, developers and businesses at each stage to ensure that the plan meets the needs of those living in, working in and visiting Peckham and Nunhead.
- 1.5. We are now at our final stage of consultation, which we call the publication/submission version. This stage of formal consultation is very different to earlier stages of consultation because there is now little scope to alter the AAP. We set out more information on this in section 4 of this consultation plan.

2. How we are consulting on the area action plan (AAP)

- 2.1. We carry out consultation in accordance with our adopted statement of community involvement (2008), which explains how we will consult the community in the preparation of planning policy documents. The following section sets out how we plan to meet the minimum statutory consultation requirements and how we will exceed these requirements where appropriate.
- 2.2. We have received a range of comments through previous rounds of consultation on the AAP and these comments have helped shape this publication/submission version AAP. We are now inviting people to provide us with comments one final time. Section 4 of this consultation plan sets out what you should be commenting on at this stage of consultation.
- 2.3. This consultation plan should be read alongside the following documents:
 - **The Peckham and Nunhead Area Action Plan publication/submission version**

This is the main document we are consulting on. It sets out our vision and objectives, our policies that will be used to shape development in Peckham and Nunhead over the next ten to fifteen years and also our policies and guidance for a number of individual sites. It also sets out information on how we will implement the policies, how we will ensure that there is adequate infrastructure to support the growth and how we will monitor the success of the AAP.
 - **The consultation strategy**

This sets out our strategy for consulting throughout the whole Peckham and Nunhead AAP preparation period. It sets out how people can get involved, what we do with people's comments, and the many groups we hope to involve in our consultation.
 - **The consultation report**

The consultation report summarises all of the comments we received at the previous stages of consultation, as well as officer responses that set out how the comments received have been taken into account. It also summarises the consultation we have carried out on earlier versions of the AAP.
 - **The schedule of changes to the adopted policies map**

The schedule shows the changes that the AAP will make to Southwark's adopted policies map. Once the AAP is adopted, the adopted policies map will be updated to reflect these changes.
 - **The appropriate assessment**

The appropriate assessment has been carried out under the EU Habitats Directive and assesses the impact of the AAP publication/submission version on EU protected wildlife habitats

- **The background papers**

The background papers set out information on the key evidence and statistics that have informed the AAP.

- **The sustainability appraisal**

The sustainability appraisal looks at the economic, environmental and social impacts of the AAP.

- **The equality analysis**

This assesses the likely impact of the AAP on the nine protected characteristics groups, as identified in the Equality Act 2010 (age, disability, gender re-assignment, marriage and civil partnership, pregnancy and maternity, race, religion or belief, sex and sexual orientation). Broadly, it looks at the impact of the AAP in relation to equality, diversity and social cohesion.

2.4. All of these documents can be found on our website at: <http://www.southwark.gov.uk/futurepeckham>

2.5. These documents will also be available in all of our libraries and locations listed in appendix A after Council Assembly has agreed the publication/submission document for formal consultation.

3. The timetable and methods of consultation

Consultation timeframe

- 3.1. We have found that the statutory six weeks consultation period is too short for effective consultation on planning policy documents. We will therefore carry out a period of minimum of six weeks informal consultation in addition to the statutory six week formal consultation period. This is set out in our statement of community involvement. We do this in order to make sure there is enough time for you to read the AAP and submit comments.
- 3.2. As always, we make the AAP available for public inspection at least five working days before we take the AAP to Cabinet. The process at this stage of preparing the AAP is slightly different to earlier stages as Council Assembly are required to agree the AAP rather than Cabinet, as set out below:
- 25 September 2012 - We take the AAP to Cabinet where we ask Cabinet to recommend that Council Assembly approve the AAP for formal consultation.
 - 17 October 2012 - We take the AAP to Council Assembly for Council Assembly to agree to approve the AAP for formal consultation.
- 3.3. You can view our Cabinet and Council Assembly reports at:
- | | |
|------------------|---|
| Cabinet | http://moderngov.southwark.gov.uk/ieListMeetings.aspx?Committeed=302 |
| Council Assembly | http://moderngov.southwark.gov.uk/ieListMeetings.aspx?Committeed=132 |
- 3.4. You can put in representations during both the informal and formal consultation periods. However, there is still scope for the AAP to be altered by members until it is officially agreed for formal consultation.

Informal consultation begins on the 12 September and ends on the 23 October 2012.

Formal consultation begins on the 24 October and ends on the 04 December 2012.

All responses must be received by 5pm on Tuesday 04 December 2012.

Consultation methods

- 3.5. In spring 2012, we consulted on the preferred option version of the AAP, which set out our preferred approach for different topics, different character areas and for individual sites. The range of consultation we carried out is set out in section 5 of our consultation report.
- 3.6. The table below sets out the statutory minimum required to meet Government regulations and the further additional methods of consultation that we intend to carry out. We include dates where we have meetings confirmed. We also set out the key consultee group that the consultation method is aimed at.
- 3.7. The list of events and consultation activity in this plan is not exhaustive and we will attend further meetings with local interest groups and organisations where this is requested. We will update the list of consultation events on our website throughout the consultation, at:

www.southwark.gov.uk/futurepeckham

4. How to comment on the AAP

- 4.1. We welcome your comments on the AAP and on the supporting documents. Please contact us if you would like to know more about the AAP or to find out more about our consultation.
- 4.2. This final stage of consultation varies from earlier stages of consultation because there is less scope to change the content of the AAP. This is a formal consultation on our finalised plan. Although in draft, and subject to an Examination in Public, we cannot make substantive changes through this stage of consultation and can only agree minor changes if they are essential. Therefore, respondents should focus comments on whether the AAP has met certain tests required by the Secretary of State. These are the factors that a planning inspector will consider when examining the AAP. More information is set out in the National Planning Policy Framework (NPPF) (specifically paragraph 108) at:
- 4.3. <http://www.communities.gov.uk/documents/planningandbuilding/pdf/2116950.pdf>
- 4.4. Representations on this stage of the AAP should relate to:
 - Whether the AAP has been prepared in accordance with:
 - the Duty to Co-operate
 - legal and procedural requirements
 - Whether the AAP is sound. A “sound” AAP should be:
 - **Positively prepared** – based on a strategy which seeks to meet assessed development and infrastructure requirements
 - **Justified** – the most appropriate strategy having considered alternative approaches, based on the evidence available
 - **Effective** – the plan should be deliverable and be based on effective joint-working on cross-boundary issues
 - **Consistent with national policy** – the plan should aim to deliver sustainable development, as described in the NPPF
- 4.5. All comments must be received by **5pm on Tuesday 4 December 2012. Comments received after this date will not be taken into consideration.**
- 4.6. Representations can be made by:
 - Sending an email to futurepeckham@southwark.gov.uk

- Completing our online questionnaire, which is available at: <http://www.southwark.gov.uk/futurepeckham>
- Alternatively you can send your response to:

5. What happens next?

- 5.1. This is the final stage of consultation on the AAP before we submit it to the Secretary of State. At this point, an Examination in Public will be organised, at which an independent Inspector from the Planning Inspectorate will consider whether the AAP is sound and can be adopted. All comments received at this final stage of the consultation will be forwarded to the Planning Inspectorate in December 2012 alongside the final AAP and supporting documents. We will prepare officer comments on the representations we receive, which will be made available to view on our website and will also be sent to the Planning Inspectorate. Our consultation report will also be updated to give detailed feedback on consultation that we have carried out, including how we have met the requirements of our statement of community involvement.
- 5.2. Prior to the Examination, the Inspector will announce whether there are any specific issues that he/she would like to focus on in detail during the Examination. We will update our website when this information is available.
- 5.3. Further information on our previous stages of consultation; the comments that people submitted and our officer responses, can be viewed in our Consultation Reports. These have been prepared after each stage of consultation and are available on our website or by contacting the Planning Policy team.
- 5.4. The table below sets out the timetable for the remaining stages before we adopt the AAP. The current stage is highlighted in bold.
