**LATE MOTION FROM COUNCILLOR ADELE MORRIS** (Seconded by Councillor Barrie Hargrove)

**Urgent help on St George's Road**

1. Council assembly deeply regrets the tragic and devastating death of 5 year old Hichame Bouadimi on St George's Road and sends deepest condolences to his family, friends and school.
2. Council assembly recognises that there is much work to be done to make St George's Road safer including looking at the railings, speed limits and other traffic calming measures, and councillors from all parties call on cabinet and Transport for London to help with these issues.
3. Council assembly appreciates that, in the meantime, parents and teachers from the three schools and residents of the many homes on St George's Road are very distressed about the dangers on this road and calls on cabinet for a lollipop person to be funded from the council's contingency funds and placed on this road immediately and until the longer term safety measures are implemented.

**Note:** If the motion is agreed, any proposals will be submitted to the cabinet for consideration.

**REASON FOR URGENCY**

This motion follows the accident on St George's Road on 3 October 2012 and members wish to consider a timely and appropriate response to the tragedy.

**REASON FOR LATENESS**

The accident occurred on Wednesday 3 October 2012, and the proper notice period was not able to be given following this event.

**Notes:**

1. Council assembly will need to move a procedural motion to suspend council assembly procedure rule 2.10(3) Deadline for receipt of motions, to allow the late motion to be considered.
2. If the motion is agreed, any proposals will be submitted to the cabinet for consideration.
