## APPENDIX 1

### **Late Motion – Urgent help on St George’s Road**

At council assembly on Wednesday 17 October 2012 a late motion entitled ‘urgent help on St. George’s Road’ was moved by Councillor Adele Morris and seconded by Councillor Barrie Hargrove. The motion was agreed and stands referred to the cabinet as a recommendation.

### **Recommendation**

- (1) That council assembly deeply regrets the tragic and devastating death of 5 year old Hichame Bouadimi on St George's Road and sends deepest condolences to his family, friends and school.
- (2) That council assembly recognises that there is much work to be done to make St George's Road safer including looking at the railings, speed limits and other traffic calming measures, and councillors from all parties call on cabinet and Transport for London to help with these issues.
- (3) That council assembly appreciates that, in the meantime, parents and teachers from the three schools and residents of the many homes on St George's Road are very distressed about the dangers on this road and calls on cabinet for a lollipop person to be funded from the council's contingency funds and placed on this road immediately and until the longer term safety measures are implemented.

### **Comments of the Strategic Director of Environment and Leisure**

On Monday 22 October a school crossing patrol officer (Lollipop person) was placed at the crossing on St George’s Road. This service will be in place until the local community council makes a decision on whether to allocate further funding.
