

## Further proposed amendment to Open Space Strategy 2013

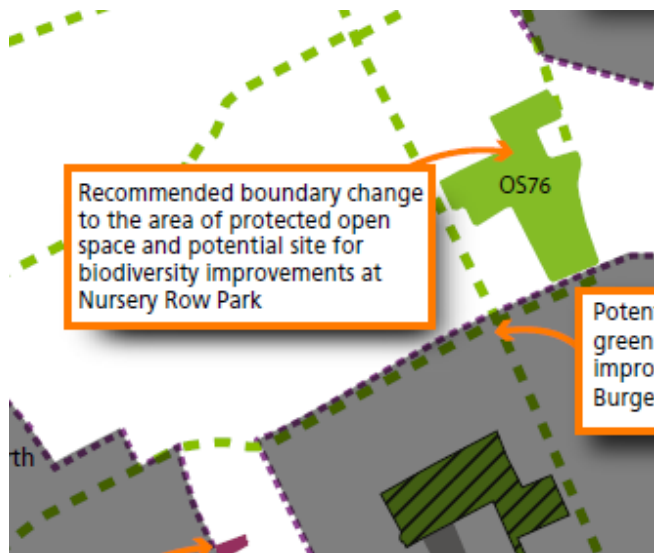

Elephant & Castle sub-area strategy, map on page 29, OS76

Amend label to read

Recommended boundary change to the area of protected open space and potential site for biodiversity improvements at Nursery Row Park

Amend the map to show the extension to the north of the open space (which is consistent with the adopted Elephant and Castle SPD 2012) (refer to map A below). The version of the map circulated with the agenda papers is shown on map B below.
