As per Regulation 14 of the Community Infrastructure Levy Regulations 2010 (as amended 2011 and 2012), the Council is designated the collecting authority for the Mayor of London in Southwark. This requires a current charge of £ 35 per square metre to be levied in addition to the amounts specified above.

The amount to be charged for each development will be calculated in accordance with Regulation 40 of the Community Infrastructure Levy Regulations 2010 (as amended 2011 and 2012). For the purposes of the formulae in paragraph 5 of Regulation 40 the relevant rate (R) is the rate for each charging zone shown in the charging schedule above.

CIL will be applied on the chargeable floor space of all new development apart from that exempt under Part 2 and Part 6 of the Community Infrastructure Levy Regulations 2010 (as amended by the Community Infrastructure Levy Regulations 2011 and 2012). The exemptions from the CIL rates are:

- The gross internal area of a new buildings or extensions to buildings will be less than 100 square metres (other than where the development will comprise one or more dwelling);
- A building into which people do not normally go;
- A building into which people go only intermittently for the purpose of maintaining or inspecting machinery; or
- A building for which planning permission was granted for a limited period;
- Development by charities of their own land to be used wholly or mainly for their charitable purposes;

Statement of Statutory Compliance

The Charging Schedule has been approved and published in accordance with the Community Infrastructure Levy Regulations 2010 (as amended 2011 and 2012) and Part 11 of the Planning Act 2008 as amended.

In setting the levy rates, the Council has struck an appropriate balance between;

- a) the desirability of funding from CIL in whole or in part the estimated cost of infrastructure required to support the development of its area, taking into account other actual and expected sources of funding, and
- b) the potential effects, taken as a whole, of the imposition of CIL on the economic viability of development across its area.

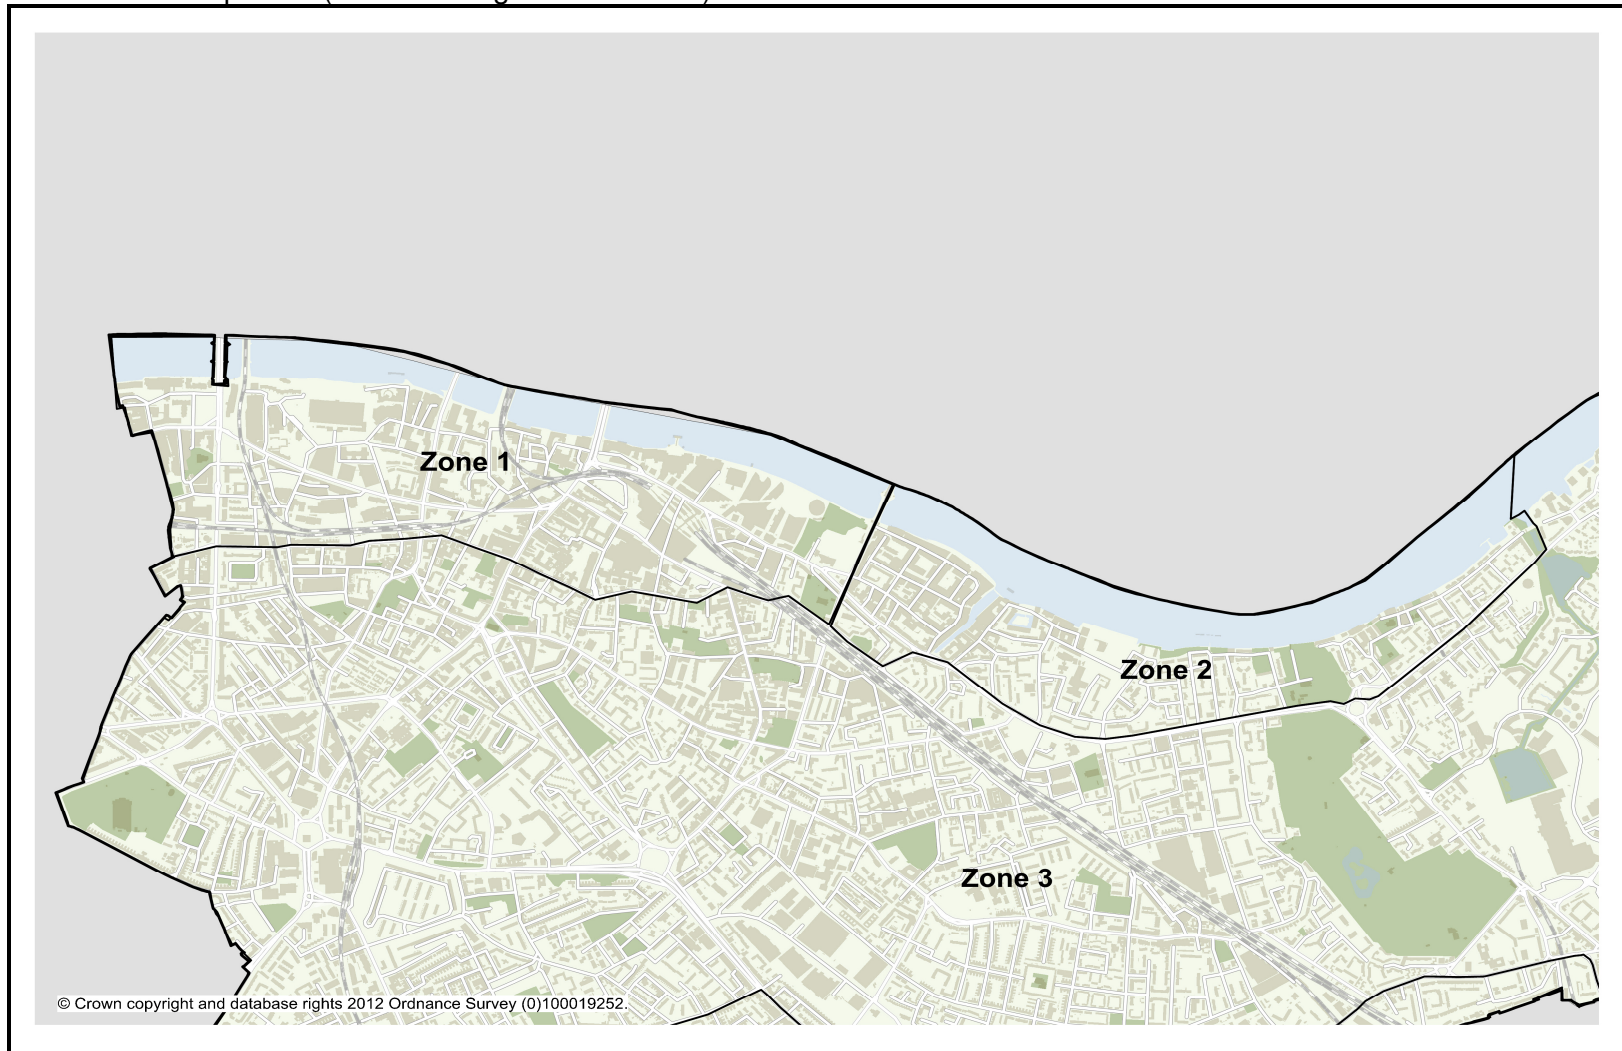

This Charging Schedule was approved by the Council on (date to be inserted following examination)

This Charging Schedule will come into effect on (date to be inserted following the examination and approval)
