MEMO: Environmental Protection Team

This is an application for variation of the premises license:

- Extension of late night refreshment from 0030 until 0500 – 7 days a week both in and outdoors.
- Extension of supply of alcohol from 0000 until 0400 -7 days a week both on and off the premises,

The premises is within the Borough and Bankside saturation area and is close to Bankside House student residential accommodation.

The applicant has not submitted any additional prevention of public nuisance measures in support of these extended hours of operation.

I am not satisfied that these activities until the requested hours and /or areas of use of the would not to give rise to public nuisance and therefore object to the application
