

## Register of Interests

NHS Southwark CCG's Register of Interests and is made publicly available at the Governing Body meetings of the CCG and can be found at <http://www.southwarkccg.nhs.uk/about/Governance/Pages/ConflictofInterest.aspx>

The register is maintained by CCG Governance team (contact Sheetal Mukkamala, Corporate Governance Manager [sheetal.mukkamala@nhs.net](mailto:sheetal.mukkamala@nhs.net)).

The register is constructed in line with the CCG's Constitution and Conflicts of Interest Policy which can be found at <http://www.southwarkccg.nhs.uk/about/Governance/Pages/ConflictofInterest.aspx>

The register contains details of all members of the CCG's formal committees and the Governing Body itself. The interests of those individuals that are in attendance only will be captured in the minutes of the meeting concerned unless those in attendance are employees of the CCG or the South London Commissioning Support Unit (the arrangements for those individuals are addressed by their contract of employment and their Job description)<sup>1</sup> who are not members of the committee in question.
