

NOTIFICATION OF KEY DECISION TO BE TAKEN

GENERAL EXCEPTION NOTICE

DETAILS OF DECISION	
Title of Report	Walworth Town Hall –Vision for the rebuilt Town Hall
Description/Nature of matter requiring Key Decision	Approval of the council's vision for the rebuilding of the fire damaged Walworth Town Hall
Decision taker	Cabinet
Date by which Key Decision must be taken	16 July 2013
Reason why it was impracticable for decision to be on the Forward Plan	A decision on the lead department and the timetable for the regeneration of the building has only been very recently agreed and therefore it has not been possible to include this report on the forward plan.
Reason why the decision cannot wait for inclusion in the next Forward Plan	The safe guarding of the structure and the subsequent archaeological assessment of the damaged building is on-going. Once complete responsibility for the building will be passed to the regeneration division within the Chief Executive's department. There is therefore an urgent need to agree a future direction for the use of the Town Hall before the summer. This is necessary to minimise deterioration to the building and reduce holding costs from the ongoing management of a vacant building.
