

NOTIFICATION OF KEY DECISION TO BE TAKEN

GENERAL EXCEPTION NOTICE

DETAILS OF DECISION	
Title of Report	Gateway 2: Repairs and maintenance long term arrangement
Description/Nature of matter requiring Key Decision	Approve the award of the repairs and maintenance contract
Decision taker	Cabinet
Date by which Key Decision must be taken	June 2013
Reason why it was impracticable for decision to be on the Forward Plan	The decision was listed on the forward plan for decision in May 2013 and was presented to Cabinet for formal approval but was deferred. The decision to defer was taken after the publication of the forward plan relating to decision to be taken from June onwards.
Reason why the decision cannot wait for inclusion in the next Forward Plan	<p>The next forward plan relates to decisions to be taken from August onwards. The decision cannot wait until then as the long term contract needs to commence on 2 October. The council is required to give 3 months immobilisation period between the contract start date and contract award date for the contractor to prepare to be on site.</p> <p>Approval of this decision is crucial for the continuity of providing the repairs and maintenance service</p>
