

**NOTIFICATION OF KEY DECISION TO BE TAKEN**

**GENERAL EXCEPTION NOTICE**

<b>DETAILS OF DECISION</b>	
<b>Title of Report</b>	GW3 Contract Extension Approval to ECON Contracts
<b>Description/Nature of matter requiring Key Decision</b>	Approval of two year extension of engineering contract for repair and maintenance of portable water individual heating systems and district heating and engineering installations.
<b>Decision taker</b>	Strategic Director of Finance and Corporate Services
<b>Date by which Key Decision must be taken</b>	September 2013
<b>Reason why it was impracticable for decision to be on the Forward Plan</b>	The decision was on the forward plan for August 2013. Due to a delay in obtaining further information to be incorporated in the report, the decision missed the timeframes for processing a decision in August.
<b>Reason why the decision cannot wait for inclusion in the next Forward Plan</b>	The next forward plan relates to decisions to be taken from November 2013 onwards. The decision cannot wait until November for approval as the current contract ends on 30 September 2013. This means that the contract extension needs to be approved before this date to ensure that the extended contract commences immediately on 1 October 2013 so that ongoing works will not be interrupted.
