1. MOTION FROM COUNCILLOR ADELE MORRIS (Seconded by Councillor David Noakes)

Making Cathedrals Ward Safer for Residents and Cyclists

Council assembly:

- Recognises the large number of developments that are either under construction or soon to be under construction in Cathedrals Ward
- Notes that many of the major construction sites have a difficult time managing the arrival of deliveries, leading to lorries having to find places to wait or circle endlessly around the streets; creating nuisance to residents and potentially increasing the danger to pedestrians and cyclists
- Calls upon cabinet to find a suitable council owned site and make it temporarily available for development sites to use as a waiting area for construction vehicles which arrive before their allotted time.

Note: If the motion is agreed, any proposals will be submitted to the cabinet for consideration.
