Ward(s) or groups affected:		All	
From:		Sarah McClinton, Director of Adult Care, Children's and Adults Department	

RECOMMENDATION(S)

1. That the Health, Adult Social Care, Communities & Citizenship Scrutiny Sub-Committee note the draft Local Account.

BACKGROUND INFORMATION

2. The Health, Adult Social Care, Communities & Citizenship Scrutiny Sub-Committee reviewed the 2011/12 Local Account at its meeting in January 2013. One of the comments made was that the committee would like to review the 2012/13 Local Account whilst it is in draft form so as to be able to influence the final document.

KEY ISSUES FOR CONSIDERATION

3. The Local Account is a new form of public performance report, setting out the progress councils have made in delivering national and local adult social care priorities, and the key areas for further improvement in forthcoming years.
4. In our first Local Account covering 2011/12 we described our progress on a range of adult social care priorities and set out areas for improvement in 2012/13. This draft Local Account reports back on our performance in these areas and sets out our priorities for improvement during 2013/14.
5. Following consideration of any comments received from scrutiny committee and a number of other stakeholders a final Local Account will be published during November.
6. The draft Local Account is attached in **appendix 1**.
