Subject: Application for TEN @ Dog Kennel Hill Adventure Playground 8th November 2013 16.00
- 20.00hrs

Hi Licensing.

The EP Team object to this application as this premises has been witnessed by officers of the Noise Team causing a substantive statutory nuisance due to noise from amplified music without the appropriate TEN or premises license being in place.

Kind regards,

Subject: DOG KENNEL HILL ADVENTURE PLAYGROUND - INCIDENT OF STATUTORY NUISANCE DUE TO NOISE

Hi Jayne,

Here is the date and time of the incident that caused over 20 complaints from members of the public. I attach the notes made by the Noise Team Officer - the warning letter was served the same day.

24/7/2013 16:56 Officer - AAD
Taken @ 20.35 hrs, tctc 20.36 hrs visit @ 20.49 hrs with RVS, I could hear heavy dance bass music of Nigerian origin approximately 100 yards inside estate. Entered complainant living room on third floor windows shut, D' Bang's 'Oliver' twist playing at extremely powerful bass beat such that I was unable to hear complainant's television.

20.53 music remained at same tempo but changed to Whyskid's, 'pakaromo' I looked through complainant's window and heavy music system in use at the Adventure Playground Dog Kennel Hill. Completed assessment 20.59 hrs music still ongoing.

Attend the park, music stopped after ID to DJ and informed of complaint received. He said we have finished now and dismantled the musical equipment and referred us to female organiser (mixed race) who was very abrupt and gave her name as [REDACTED]. She declined to provide further details.

Left @21.08hrs

Kind regards,

Sarah Newman
