

**NOTIFICATION OF KEY DECISION TO BE TAKEN
(General Exception)**

DETAILS OF DECISION	
Title of Report	Highways Capital Investment Programme 2014/15
Description/Nature of matter requiring Key Decision	Highways Capital Investment Programme 2014/15
Decision taker	Cabinet Member for Transport Environment and Recycling
Date by which Key Decision must be taken	December 2013
Reason why it was impracticable for decision to be on the Forward Plan	This decision is listed on the forward plan for a decision to be made in January 2014. However the date is incorrect and a decision needs to be made in December 2013 in order to adhere to the works programme in place.
Reason why the decision cannot wait for inclusion in the next Forward Plan	The next forward plan will be published on 3 January 2014 for decisions to be taken in February 2014. The works programme is advertised and planned to commence in April 2014. In accordance with the Traffic Management Act, 12 weeks notice of these works must be given. A decision in December will allow for the 12 week notice period to be served and works to commence in April 2014. A later decision in January 2014 will prolong the start date.
