| Decision taker | Cabinet Member for Regeneration Planning and Transport |
| Date by which Key Decision must be taken | November 2014 |
| Reason why it was impracticable for decision to be on the Forward Plan | The decision was originally on the forward plan for October but delays in 3 rd party condition assessment results, which support the report content, have affected the delivery of the report. |
| Reason why the decision cannot wait for inclusion in the next Forward Plan | The next forward plan relates to decisions to be taken in December 2014.
