

NOTIFICATION OF KEY DECISION TO BE TAKEN

GENERAL EXCEPTION NOTICE

DETAILS OF DECISION	
Title of Report	Creation of Neighbourhoods Fund (merger of CCF and CGS Revenue streams)
Description/Nature of matter requiring Key Decision	Approval to amalgamate the Community Council Fund (CCF) and the Cleaner Greener Safer Revenue fund (CGSR) to create a new Neighbourhoods Fund.
Decision taker	Councillor Ian Wingfield, Cabinet Member for Communities, Employment and Business.
Date by which Key Decision must be taken	December 2014
Reason why it was impracticable for decision to be on the Forward Plan	The proposal to merge the CCF and CGSR was not developed in time for the decision to be listed on the Forward Plan relating to decisions to be taken in December 2014 onwards
Reason why the decision cannot wait for inclusion in the next Forward Plan	If the decision is not taken in December, there will be a delay to the proposed Neighbourhoods Fund launch date scheduled for 5 January 2015. This will impact on the six week application period and also the feasibility and shortlisting process which can take up to three weeks to complete after the application deadline. Subsequently it will not allow decisions to be taken in the March 2015 round of community council meetings and hinder successful groups to carry out their events from 1 April 2015.
