M Describe the steps you intend to take to promote the four licensing objectives:

a) General – all four licensing objectives (b, c, d and e) (please read guidance note 9)

Bold Tendencies is a fantastic organisation and event which takes place in Peckham each summer, and we believe we will only greater benefit the space. We aim to promote a more family-friendly environment, and our day menu will reflect this - we aim to be more 'snack stop' / juice bar than alcoholic bar during these hours. In the evening, the menu changes and becomes more adult.

The site is always under security supervision, within no direct proximity of schools or residential property, and is completely contained within the car-park itself. In order to best observe the licensing objections further, we will:

- make clear outside our premises our operating schedule and when we are open to the general public.
- a strict age policy will be adopted to ensure that absolutely no children under the age of 18 are at any risk of harm.
- we will ensure adequate access is left out front of the premises for emergency vehicles
- we will ensure all entrances and exits are clearly marked and left clear of obstruction in any case of emergency.

b) The prevention of crime and disorder

- Bold Tendencies has its own gated entrance, where SIA-security staff are employed to monitor crowds, check bags, etc. Guests entering our space will have all been searched and controlled by these members of staff accordingly, and an entrance policy is already in place to monitor capacity on site.
- as far as is possible, we will remind patrons to leave in an orderly fashion and conduct themselves appropriately. A dispersal policy will be put into place, and our staff will be fully trained to adhere to the policy.
- a ZERO DRUGS policy will be put into effect. If anyone is suspected of taking or administering drugs, they will be removed from the premises immediately, and where appropriate, reported to the police.
 - we are and will continue to employ the 'Challenge 25' policy, and all bar staff will be trained to employ this policy.
 - there will be NO GLASS on site - all drink receptacles will be plastic; all other crockery will be safe (i.e. no sharp knives) and / or disposable.
 - an incident log book will be kept on the premises.
 - any patrons who are deemed intoxicated or any threat at all will be removed from the premises by security.

c) Public safety

- we will make clear that cold drinking water is always available at the bar, and that this is adequately communicated to our clientele.
 - any clientele who appear obviously intoxicated will be refused any additional alcoholic refreshments.
 - all areas of the bar will be properly illuminated, particularly those areas leading to exits.
- every element of the premises will be properly maintained, in order to prevent any accidents from occurring to the best of our ability.
 - fire extinguishers are provided indoors and outdoors on site, and our staff will be trained to use them.
 - our DPS will complete a First-Aid course, in case of emergency. We will also train one other member of staff in First-Aid.
- management will ensure that each member of staff has their own job function, and that a strategy is put into place in the unlikely event of emergency.
 - all electrics will be deemed safe and routinely checked to ensure their safety.
 - no benches or other furnishings will be placed in any areas likely to be used in emergency.
- staff will regularly ensure that all areas within the premise and directly outside the premises will be regularly and efficiently cleaned.

d) The prevention of public nuisance

- we will do our absolute best to ensure that any noise emanating from the premises, whether through crowd control or volume limitation on background music, will be to an appropriate level so as to not disturb any neighbours or residents in the vicinity. Management will ensure background recorded music will be at an appropriate non-disruptive level. This will be determined by checking at street level outside the cinema.
- all deliveries, waste disposal, and other relevant and potentially bothersome activities will take place at suitable times in order to minimise disturbance within the park,
- upon closing at 11pm, all customers will be asked to leave promptly and quietly. Staff will all be trained to monitor this as guests leave the premises. A dispersal policy will be in place and will be seamlessly linked with on-site security.

e) The protection of children from harm

-As stated previously, we will employ a 'Challenge 25' policy, and always ensure our staff are full and regularly trained in order to best service this policy.
 -any children under the age of 18 in our space must be accompanied by an adult.
