Subject: Re: New Premises Licence 234 Southwark Park Road

Dear colleagues,

I am writing on behalf of the three councillors for South Bermondsey ward, with respect to the application by Istanbul Express at 234 Southwark Park Road, London SE16 3RW to sell alcohol Monday - Sunday between the hours of 08:00 - 23:00, license ref number 849921.

We are very concerned about the potential anti-social behaviour impact an additional alcohol license would have on the area. There are public health and community safety reasons against encouraging access to late night drinking. There are frequent complaints of anti-social behaviour related to alcohol use in areas close to this location. We do not wish to exacerbate these problems for local residents.

Feedback we have received at meetings of both the Manor Estate TRA and the Blue Bermondsey BID was unanimous in opposing this alcohol license.

On these grounds, we object to the application in its present form and would therefore recommend that this is not granted.

Yours sincerely,

Catherine Dale, Sunny Lambe and Leo Pollak
Councillors for South Bermondsey ward
