Police are in possession of an application from the above for a new premise licence. Police would recommend the following conditions to be included on the licence.

1. Intoxicating liquor shall not be sold or supplied on the premises other than to persons taking table meals and for consumption by such person as an ancillary to the meal or whilst waiting to be seated for a pre booked table meal.

The Following is submitted for your consideration, Police would welcome the opportunity to conciliate should the need arise.

Yours Sincerely

Subject Re: Hawksmoor, 16 Winchester Walk, London SE1 9AQ

– Application to for a premises licence

I write with regards to the above application to for a premises licence submitted by Underdog Restaurants Limited under the Licensing Act 2003, which seeks the following licensable activities:

- Supply of alcohol (on and off the premises) on Sunday to Thursday from 08:00 to 23:30 and on Friday and Saturday from 08:00 to 00:00.
- Late night refreshment (indoors and outdoors) on Sunday to Thursday from 23:00 to 23:30 and on Friday and Saturday from 23:00 to 00:00.
- Overall opening times shall be on Sunday to Thursday from 08:00 to 23:30 and on Friday and Saturday from 08:00 to 00:00.

Non standard timings requested for licensable activity and opening hours are:

From the end of permitted hours on New Years Eve to the start of permitted hours on New Years Day

The premises is described as a ' Restaurant over lower ground and ground floor levels'.

My representation is based on the Southwark Statement of Licensing policy 2016 – 2020 and relates to the licensing objectives for the prevention of crime and disorder and the prevention of public nuisance.

Section six of the policy (from page 32) deals with Southwark's local cumulative impact policies. This premises sits in the Borough and Bankside policy area as defined in paragraph 129 of the policy and, as a restaurant/café, this premises falls into the class of premises in 130 of the policy.

Therefore under 119 of the policy there is a rebuttable presumption that applications for new premises licences that are likely to add to the existing cumulative impact will normally be refused or subject to certain limitations. In such circumstances, it is for the applicant to demonstrate that the application will not, if granted, further contribute to the negative local cumulative impact on any one or more of the licensing objectives.

The applicant has not addressed the presumption to refuse this application within the operating schedule. I would recommend refusal of this application unless the applicant can demonstrate that the premises will not contribute to crime and disorder and public nuisance within the policy area, conditions preventing the sale of alcohol except with table meals and that any off sales shall be sold in closed containers could assist the applicant in this rebuttal.

Should the applicant provide further details within the operating schedule that members consider sufficient to prevent the operation of the premises contributing to crime and disorder and public nuisance within the policy area I would be in a position to withdraw my representation.

I therefore submit this representation for your consideration and recommend the following conditions be added to the operating schedule

- Intoxicating liquor shall not be sold or supplied otherwise than to persons taking a substantial table meal and by consumption of such persons as an ancillary to their meal
- Any 'off sales' of alcohol shall be sold in closed containers and taken away from the premises.

Re: Underdog Restaurants, Hawksmoor, 16 Winchester Walk, London SE1 9AQ

As Director of Public Health for Southwark (a responsible authority under the Licensing Act 2003) I wish to make representation in respect of the above.

The representation is made in respect of the following licensing objective(s):

- The prevention of crime and disorder
- Prevention of public nuisance
- Public safety

General Comments

The applicant requests both an on-license and an off-license to sell alcohol from the premises between the hours of 0800 and 2330 for Sundays through to Thursdays, and 0800 to 0000 for Fridays and Saturdays. I have concerns regarding the hours of alcohol sales requested, and the types of alcohol to be sold from the premises.

I would like a later start time of alcohol sales. Early-morning alcohol purchasers are more likely to be alcohol misusers and may thereby contribute to antisocial behaviour such as street drinking. Further, research suggests that increased hours of alcohol sales are associated with increased alcohol consumption, increased alcohol-related injuries, and increased alcohol-related harm.

The applicant has made no mention of the types of alcohol that will be stocked in the store. I would like some restriction on high-strength beers, lagers, and ciders, given that many purchasers of

these drinks are alcohol misusers, and that a single vessel exceeds the NHS's Safer Drinking Guidelines.

Recommendation

I recommend that the start time of alcohol sales be changed to 1100 for all days of the week.
I recommend that no beers, lagers, ciders or similar alcohols to be sold in cans with an Alcohol By Volume (ABV) in excess of 5% or in bottles larger than 750ml with an ABV in excess of 5%.

If you have any further questions, please do not hesitate to contact me.

Yours faithfully,

Dr Ruth Wallis BM FFPH
