

NOTIFICATION OF KEY DECISION TO BE TAKEN

GENERAL EXCEPTION NOTICE

DETAILS OF DECISION	
Title of Report	Approval of the council's Local Implementation delivery plan, annual spending submission for 2017/18.
Description/Nature of matter requiring Key Decision	Agreement on the content of the council's proposed submission to Transport for London (TfL) identifying transport projects to be delivered with TfL Lip funding in 2017/18.
Decision taker	Cabinet
Date by which Key Decision must be taken	20 September 2016
Reason why it was impracticable for decision to be on the Forward Plan	Earlier publications of the forward plan had indicated that this decision would be taken by Cabinet in September 2016. However during the last forward plan publication the decision was displayed on the forward plan as a decision to be taken in November 2016 in error.
Reason why the decision cannot wait for inclusion in the next Forward Plan	The next forward plan to be published relates to decisions to be taken from November 2016 onwards. The deadline for receipt of bids to TfL is 28 October 2016; the decision therefore needs to be made at the September cabinet in order to meet the TfL deadline. The funding allocation indicated in the report is the council's major source of funding for transport projects and the allocation of £3,372,000 outlined in the report will be at risk if the bid is not made by the deadline.
