**REVISED AMENDMENT C**

**AMENDMENT C**

**Moved:** Councillor Helen Dennis

**Seconded:** Councillor Darren Merrill

Paragraph 5:

Before *Council Assembly* **insert**

*"Of the options presented in the TfL consultation,"*

After *damage to a local park* **insert**

*", subject to strict conditions, with the health and safety of local residents and school pupils a priority."*

**Insert** new paragraphs 7 - 11 to read:

7. Council assembly calls on the cabinet to lobby TfL that should Bricklayers be chosen as the site of a vent shaft, that further work and consultation is carried out with the council and local residents on the possible design and local impact of the shaft, and that rigorous monitoring and mitigation of air pollution at this location takes place.
8. Council assembly notes concerns from residents near the Bricklayers Arms about the impact of a shaft worksite area here and the implications for traffic management and local schools and nursing homes, with no benefit to residents to set against the issues caused by construction.
9. Council assembly notes that Bricklayers Arms is the point of intersection for residents of Walworth, Bermondsey and the western reaches of the Old Kent Road, who presently need to take a bus to the Elephant and Castle to join the tube network. An additional underground station here would be a sensible distance from the Elephant and Castle and would save residents time and money.
10. Council assembly therefore calls on the cabinet to work closely with TfL to secure an additional station, incorporating a ventilation shaft, at the Bricklayers Arms Roundabout, with a view to removing the need for a separate ventilation shaft on this stretch of the Bakerloo Line extension and creating a station which benefits residents of the Bricklayers Arms and surrounding areas.

11. Council assembly further calls on the cabinet to:

- Continue to fight for a second branch of the Bakerloo Line extension to Camberwell, supporting the long running residents' campaign group there.
- Make representations to TfL to ensure that residents at Elephant and Castle are protected in any plans for the worksite to enlarge Elephant and Castle underground station.
