

LATE AMENDMENTS

ITEM 5.2.1: MEMBERS' MOTIONS - PROMOTING THE SALE OF NEW HOUSING TO LOCAL PEOPLE (see pages 39-40 of the main agenda)

AMENDMENT C

Moved: Councillor Tom Flynn
Seconded: Councillor Martin Seaton

Delete Section 2 and **replace** with:

- The redevelopment of the Heygate Estate will see more than 2,700 new homes built; at least 25% of these new homes will be offered for social rent, affordable rent or shared-ownership sale following the intervention of the then newly elected Labour council. This is opposed to if the amount of affordable housing was determined through the planning system alone as advocated by Southwark Liberal Democrats which would have secured significantly less affordable housing.
- Council assembly also notes that the last Labour government provided £120,000 subsidy for each new affordable home built, and that the Conservative/Lib Dem coalition slashed this to just £20,000 per affordable unit.
- Council assembly further notes that the former MP for Bermondsey and Old Southwark was reprimanded by the Parliamentary Commissioner for Standards for not declaring a donation from a developer on the Old Kent Road, whose scheme only comprised 6% affordable housing. Council assembly also notes this application was refused by Southwark's planning committee, but was overturned by the Conservative Mayor Boris Johnson.

Section 3, **delete** third point and **replace** with:

- That this council already requires developers to give UK residents a fair chance by marketing new homes to them before they are advertised abroad.

ITEM 5.2.5: MEMBERS' MOTIONS - FIRE SAFETY IN SOUTHWARK (see page 43 of the main agenda)

AMENDMENT D

Moved: Councillor Michael Situ
Seconded: Councillor Radha Burgess

Section 2, after point 3, **insert** new point:

- The contribution of Eleanor Kelly, chief executive of the council, for her work with the government taskforce in providing support in Kensington and Chelsea.

Section 3, after point 3, **insert**:

- The independent review into fire safety in council blocks commissioned by the deputy leader and cabinet member for housing which will include but is not limited to ascertaining the need for and cost of fitting sprinkler systems and any other fire safety measures in these buildings.
- The work the council has undertaken to keep residents updated through the councils website, letters from the deputy leader and cabinet member for housing and a special fire safety edition of Southwark Life.

Delete Section 4 and replace with:

Council assembly therefore calls upon the cabinet to:

- Make public the findings of the independent review.
- Establish a fire safety advisory group to allow residents to be involved in shaping fire safety following the review.
- Bring a report to cabinet outlining the measures that the council will take to implement the recommendations of the review.
