This rule cannot be suspended.

1. The chief executive will give notice to the public of the time and place of any ordinary or extraordinary meeting in accordance with the access to information procedure rules. At least seven clear working days before a meeting, the chief executive will send a summons signed by him or her by electronic communication (where the member has presently consented to it being transmitted by this method), or by post to all members of the council or leave it at their usual place of residence. The summons will give the date, time and place of each meeting and specify the business to be transacted, and will be accompanied by such reports as are available.

Annual meeting

2. The chief executive will give notice to the public of the time and place of the annual meeting of council assembly in accordance with the access to information rules. At least five clear working days before the meeting, the chief executive will send a summons signed by him or her by electronic communication (where the member has presently consented to it being transmitted by this method), or by post to all members of the council or leave it at their usual place of residence. The summons will give the date, time and place of each meeting and specify the business to be transacted, and will be accompanied by such reports as are available.

Electronic summons

3. A member may consent to receiving a summons by electronic communication by informing the proper constitutional officer.
4. Members' requests to change their method of receipt must be submitted in writing to the proper constitutional officer. A minimum of five clear working days must elapse from the date of receipt of such a request before it becomes effective.

Time and place

5. Unless the council, or the Mayor in consultation with the chief executive, shall otherwise decide, all meetings of the council shall commence at 7.00pm.
6. All meetings of the council assembly shall be held in the borough.

Meetings convened at short notice

7. Meetings of the council assembly may only be convened at less than seven clear working days' notice where by reason of special circumstances, which shall be specified in the summons, the meeting is required to be called at that time as a matter of urgency.

The person presiding at the meeting may exercise any power or duty of the Mayor.

2. The meeting of the council assembly shall commence as soon as there is a quorum, following the time at which the meeting has been appointed to be held.

Quorum if more than one-third of members are disqualified

3. Where more than one-third of members of the council become disqualified at the same time, then, until the number of members in office is increased to not less than two-thirds of the whole number of members in office of the council, the quorum of the council assembly shall be determined by reference to the number of members of the council remaining qualified instead of by reference to the whole number of members of the council. The quorum shall then be one-quarter of the members of the council who remain qualified.

Protocol governing the discussion in council assembly on investigations and rulings of the standards committee or sub-committee

In addition to the provisions provided for in rules 1.7(3)(h), 2.5(3), 2.7(7), 2.6(4), 2.8(6), 2.9(5), and 2.10(2) of the council assembly procedure rules, members should note that:

A member or members of the council assembly as a whole should not comment on an investigation that is being undertaken or has been completed, or a ruling of the standards committee or sub-committee except by moving a motion that relates to a general corporate action.

A general corporate action would include:

- raising concerns about general behaviour or standards in the council that do not expressly refer to a particular member or members
- calling for the council to develop additional protocols governing members' conduct or actions
- calling for the council to review or amend existing protocols governing members' conduct or actions to ensure that they are providing members with clear and comprehensive guidance on conduct issues
- calling for the council to undertake member development training on the code of conduct, or any part of it, or protocol to increase awareness amongst members of the existence and contents of the council protocols and code of conduct.

Council assembly should delegate a request for a general corporate action to the appropriate committee or officer (for example a request to revise the member and officer protocol would need to be referred to the standards committee).

Calls for a particular member or members to take further action, including calling on a member or members to make a public apology, resign or any other action that could be taken to be a punitive action against that member or members, will be ruled out of order by the Mayor on advice from the monitoring officer.
