<b>Report title:</b>		Southwark Coordinated Admission Schemes for Primary, Junior and Secondary Admissions 2020	
<b>Ward(s) or groups affected:</b>		All	
<b>Cabinet Member:</b>		Councillor Jasmine Ali, Children, Schools and Adult Care	

## **FOREWORD - COUNCILLOR JASMINE ALI, CABINET MEMBER FOR CHILDREN, SCHOOLS AND ADULT CARE**

Southwark Council has a statutory responsibility for coordinating school admission applications on behalf of all Southwark residents applying for a place at a primary, junior or secondary maintained school/non maintained state funded school in England. The council is signed up to the PAN London agreement to deliver this service. This has worked successfully over a number of year and no changes are proposed in this report.

The coordinated admissions schemes have been developed to ensure a fair and transparent system to allocate school places at normal point of entry – Reception class, Junior class and Year 7. Coordination also ensures that families have a single point of application to schools where up to six preferences may be made on a common application form.

## **RECOMMENDATIONS**

1. That cabinet notes the Primary (Reception), Junior and Secondary (Year 7) coordinated admission schemes for 2020 admissions were unchanged as they have worked effectively for Southwark residents during the last academic year.
2. That cabinet agrees the Primary (Reception), Junior and Secondary (Year 7) coordinated admission schemes for 2020 admissions attached as Appendix 1, Appendix 2 and Appendix 3 of this report.

## **BACKGROUND INFORMATION**

3. The coordination of admission arrangements must adhere to the requirements of the School Standards and Framework Act 1998, The School Admissions (Admission Arrangements and Co-ordination of Admission Arrangements) (England) Regulations 2012 (as amended) and the School Admissions Code 2014. These arrangements apply to admission authorities of all maintained schools and non-maintained state funded schools.
4. At the cabinet meeting on 19 March 2013, the Leader of the Council delegated authority to the cabinet member for children's services to agree the secondary and primary admissions schemes for 2015 admissions and onwards where there were no changes made from the previous year. Although there are no proposed changes to the admissions arrangements 2020 or the coordinated admission schemes for 2020, these reports are being brought to cabinet for determination

due to the proposed amendment of the primary Published Admissions Numbers (PANs) for September 2019.

5. The council is the admissions authority for Southwark community primary schools only and also has a statutory responsibility for coordinating school admission applications on behalf of all Southwark residents applying for a place at a primary, junior or secondary maintained school/non-maintained state funded school in England. This includes admissions at normal points of entry, e.g. to primary reception year including Year 3 transfer and secondary Year 7 including 14-19 University Technical College transfer. Arrangements for these coordinated admissions are negotiated and agreed across all 33 London local authorities to form a pan-London admissions scheme.
6. Coordination provides families with a single point of application to schools where up to six preferences may be made on a common application form. The council is also responsible for confirming a single school offer to each child on offer date, which, for the September 2020 intake, is 2 March for Secondary and 16 April for Reception and Junior applications. The exception to this coordinated admissions process would be applications to any new free schools currently being established for September 2020 which are not able to be included in the co-ordinated admissions process which will begin in September 2019. There are currently no new free schools due to open within Southwark with a confirmed opening date of September 2020. If a new free school with an opening date of September 2020 is subsequently confirmed they will be expected to operate a separate application process alongside the council's co-ordinated primary and secondary admission schemes. This will enable families to submit an expression of interest directly to the schools in addition to listing up to six preferences via Southwark's Primary (Reception) and Secondary (Year 7) coordinated admission schemes. The council will then work collaboratively with the free school to coordinate the change of offers where families reject an offer received through the coordinated admissions scheme in favour of a place at the new free school. This method worked successfully for John Keats Primary School which opened in September 2018 and is currently being used for Haberdashers' Aske's Borough Academy which will be opening in September 2019.
7. Local authorities like all other admission authorities must determine their final admission arrangements and coordinated admission schemes (Primary - Reception, Junior and Secondary - Year 7) by 28 February 2019 for September 2020 admissions, and notify the Secretary of State if a coordinated scheme has been secured also by this date.
8. There are no proposed changes to the council's coordinated admission schemes (Primary -Reception, Junior and Secondary -Year 7) for September 2020.

## **KEY ISSUES FOR CONSIDERATION**

### **Coordinated admissions schemes**

9. The School Admissions Code 2014 sets out requirements for local authorities to provide a system to enable the efficient admission of pupils to schools at normal point of entry (Reception, Year 3, Year 7 and 14-19 UTC transfer). A coordinated admissions scheme for 2020 admissions must be in place with details of how this will operate within each local authority.

10. Coordinated admissions schemes must enable parents in a home local authority to apply to any school in England. The coordinated admission schemes must set out how information will be received, processed and transferred between the local authority, the applicants, the schools and neighbouring boroughs for Primary (Reception), Junior and Secondary (Year 7). Any offer of a school place must be made by the home local authority.
11. Coordinated admission schemes provide a fair and efficient school admissions process whilst almost entirely eliminating the risk of multiple offers being made to individual families.
12. Local authority officers across London developed the key principles, including a mix of mandatory and optional clauses for each for coordinated scheme to be considered and implemented by individual local authorities. Coordinated admission schemes for Primary (Reception), Junior and Secondary (Year 7) which meet the PAN London requirements are attached respectively as appendices 1, 2 and 3 of this report.
13. The current coordinated admission schemes for Primary (Reception), Junior and Secondary (Year 7) admissions have worked well and enabled successful management of school admissions. No changes have been made to these arrangements other than dates throughout the documents to reflect the 2020 academic year.

### **Policy implications**

14. The Council Plan for 2018-22 was approved by council assembly in November 2018 and presents a set of commitments, which will help the council deliver the majority party's manifesto vision of "A Fairer Future for All". It is a requirement that reports to cabinet now explicitly refer to the Council Plan and how the report and or the actions outlined will help deliver key aspects of the plan. One of the Council Plan's eight themes is "A great start in life" – and, amongst the targets to deliver this, states a commitment to "make sure all schools in Southwark are Good or Outstanding" and to "drive up standards so that every school exceeds London averages at every stage".

### **Community impact statement**

15. The coordinated admissions process is designed to produce fair and equitable access to school places for all children. Allocation of places is delivered through the strict application of admissions and oversubscription criteria of each school through a central PAN London computer. All admission authorities are expected to implement clear admission arrangements that achieve equity and fair access for all pupils in line with the School Admissions Code 2014.
16. Additional support is made available to families who may need support in understanding the application process and selecting schools of their preference through the Southwark information, advice and support team. This involves a significant amount of training, outreach support and drop in sessions throughout the year at surgeries and schools, some for specific EAL communities with interpreters plus a twice weekly drop in at a Southwark one stop shop. Support is also made available on a one to one basis on request and through referrals from schools and other agencies.

17. Southwark residents have also been supported directly by school admission officers during the application stage of the admissions process. Officers attended an all day surgery every Monday and Wednesday (term-time only) at a one stop shop which was aimed at families requiring additional one to one support. For families without access to a computer or internet at home, Southwark libraries and one stop shops also offered free internet usage with admissions staff on hand to help. The online application system enables a streamlined service to be delivered so officers are able to provide high quality direct assistance to families and advise on the admissions process in person, thus improving the service as a whole and in particular for those families who may have difficulty navigating the admissions system.

### **Legal implications**

18. Please see concurrent from director of law and democracy.

### **Financial implications**

19. All costs associated with the admissions process are chargeable to the Schools Budget and are therefore met from the Dedicated Schools Grant (DSG). There are no direct financial implications for the council's revenue budgets.

## **SUPPLEMENTARY ADVICE FROM OTHER OFFICERS**

### **Director of Law and Democracy**

20. Cabinet is advised that it is enabled to agree the recommendation under matters reserved to full cabinet in Part 3C of the council's constitution.
21. Cabinet is advised that the legal framework surrounding the admissions schemes is set out in the School Standards and Framework Act 1998, the School Admissions (Admission Arrangements and Coordination of Admission Arrangements) (England) Regulations 2012 (as amended) and the School Admissions Code 2014.
22. Cabinet is reminded of the public sector equality duty under section 149 Equality Act 2010 when making this decision. This requires that, when exercising any of the council's functions, due regard be given to the need to eliminate discrimination, advance equality of opportunity, and foster good relations between people with protected characteristics and those with none. In particular cabinet will note the adjustments in place to enable full access to support and information for all communities in Southwark, outlined in the community impact statement.

### **Strategic Director of Finance and Governance (Ref CAS18/007)**

23. This report seeks approval from cabinet to the Primary (Reception), Junior and Secondary (Year 7) coordinated admission schemes for 2020 admissions attached as Appendix 1, Appendix 2 and Appendix 3 of this report. Paragraph 19 confirms that the costs associated with the admissions process are met from the Dedicated Schools Grant, and that there is no direct financial implication on the council's revenue budgets.
