

NOTIFICATION OF KEY DECISION TO BE TAKEN

GENERAL EXCEPTION NOTICE

DETAILS OF DECISION	
Title of Report	Healthier High Streets Framework
Description/Nature of matter requiring Key Decision	To approve the Healthier High Streets Framework for Southwark
Decision taker	Cabinet
Date by which Key Decision must be taken	29 October 2019 Cabinet
Reason why it was impracticable for decision to be on the Forward Plan	The Forward Plan for decisions to be taken in October was published on 30 August 2019. The decision and details of the framework have only recently been confirmed.
Reason why the decision cannot wait for inclusion in the next Forward Plan	The next scheduled cabinet after the October meeting is not until 10 December 2019. It is expected that the 'Regeneration that Works for All Charters' will be submitted to cabinet for consideration between December 2019 and March 2020. The Healthier High Streets framework needs to be in place before the charters are submitted to enable the framework to inform the ongoing work on social regeneration and wider approaches to health and wellbeing. The framework therefore needs to be considered at the October cabinet meeting.
