

**NOTIFICATION OF KEY DECISION TO BE TAKEN**

**GENERAL EXCEPTION NOTICE**

<b>DETAILS OF DECISION</b>	
<b>Title of Report</b>	Determination of Objections – Peckham West CPZ
<b>Description/Nature of matter requiring Key Decision</b>	To consider and determine representations/objections received during statutory consultation relating to proposals to introduce a new parking zone in the Peckham West Area; and to instruct officers to proceed with installation of the parking zone.
<b>Decision taker</b>	Cabinet Member for Environment, Transport and the Climate Emergency
<b>Date by which Key Decision must be taken</b>	December 2019
<b>Reason why it was impracticable for decision to be on the Forward Plan</b>	The decision was on the Forward Plan for decision in November 2019. However pre-election guidance issued in relation to the General Election scheduled for 12 December advises that the council must be mindful of not making decisions on matters likely to be controversial and which are likely to generate, or create the need for publicity. This matter has previously attracted a reasonable number of objections. In light of the above officer advice is that consideration of this issue is delayed until after the general election.
<b>Reason why the decision cannot wait for inclusion in the next Forward Plan</b>	The next Forward Plan to be published relates to decisions to be taken from February 2020 onwards. The decision needs to be taken in December as the parking zone delivery is already delayed compared to originally advertised time frames of Autumn 2019, and delivery would be delayed further by at least two months. Furthermore the parking zone is part of a parking programme and hence would cause delays for the rest of the programme.
