

CPZ 'G' Review

We would like your views on proposed changes to the controlled parking zone (CPZ) on your road

In 2018 we sent you a survey asking if you would like us to make any changes to CPZ 'G'.

As part of this survey we sent out a total of 9,517 surveys and received a 4% response rate. 65% of those who responded wanted the current parking restrictions to be amended with 61% stating that they struggle to park on a Saturday.

We know, from the responses we received, and an increase in residential properties, bars and restaurants, that parking stress has increased and we would like to know what changes you would like us to make.

Come along to our drop in sessions on

Monday 29 July, 6pm to 8pm or Tuesday 30 July, 6pm to 8pm

Cherry Garden Hall
210 Jamaica Road

The Chambers Room, Dixon Hotel
211 Tooley Street

www.southwark.gov.uk/zoneGreview

Please respond by 26 August 2019

Your parking zone currently operates 8.30am to 6.30pm Monday to Friday. Extending the operating hours of a parking zone can be positive for some and negative for others, we have outlined the pros and cons below:

Pros

- Parking on your street will be prioritised for residents, their visitors and businesses for longer and at the weekend
- The removal of parking in the evening and at the weekend would leave space available for street improvements such as places to rest and cycle parking.

Cons

- Increased operational hours would decrease the amount of time you can park without permits which may mean you would need to purchase more visitors' permits.
- There may be some parking displacement to nearby parking zones from those who would normally use Zone 'G' for evening and weekend parking.

For more information and to have your say please visit our consultation hub www.southwark.gov.uk/zoneGreview to let us know what you think.

If you would like any further information please contact: highways@southwark.gov.uk, or 020 7525 2665.
