8. QUESTION TO THE CABINET MEMBER FOR FINANCE, PERFORMANCE AND BREXIT FROM COUNCILLOR VICTOR CHAMBERLAIN

The overview and scrutiny committee recommended that the cabinet fund the full roll-out of pre-exposure prophylaxis (PrEP) to anyone in Southwark who needs it. I understand from the cabinet member for community safety and public health that costings for routine commissioning of PrEP in the new financial year are awaited from Public Health England and that discussions will be taking place with the Department for Health and Social Care about how this will be funded. Can the cabinet member assure me and my residents that, no matter what the outcome of these negotiations, no one in Southwark will be denied PrEP because of disagreements over who should fund this vital medication?
