

**NOTIFICATION OF KEY DECISION TO BE TAKEN**

**GENERAL EXCEPTION NOTICE**

<b>DETAILS OF DECISION</b>	
<b>Title of Report</b>	Provision Of Lambeth Community Alarm And Technology Enabled Care Services By Southwark Council
<b>Description/Nature of matter requiring Key Decision</b>	Approval of the contract for the provision of community alarm and technology enabled care services for the London Borough of Lambeth for a period of five years
<b>Decision taker</b>	Strategic Director of Housing and Modernisation
<b>Date by which Key Decision must be taken</b>	31 March 2020
<b>Reason why it was impracticable for decision to be on the Forward Plan</b>	The decision missed the forward plan update for March as the contract and pricing ratification was not agreed until 7 February 2020.
<b>Reason why the decision cannot wait for inclusion in the next Forward Plan</b>	The next Forward Plan to be published will be the May 2020 Forward Plan. This contract relates to the provision of community alarm and technology enabled care services for the London Borough of Lambeth. Currently Lambeth will be decommissioning their services to coincide with the proposed contract start date of 1 April 2020. Any delay to the contract start date will mean there will be no telecare service for residents of Lambeth.
