

NOTIFICATION OF KEY DECISION TO BE TAKEN

GENERAL EXCEPTION NOTICE

DETAILS OF DECISION	
Title of Report	Guys & St Thomas' Charitable Trust highway schemes
Description/Nature of matter requiring Key Decision	To approve a number of highway schemes that promote cycle and pedestrian safety and help to encourage active travel in areas of the borough where public health is of particular concern to the Guy's & St Thomas' Charitable Trust.
Decision taker	Cabinet Member for Leisure, Environment and Roads
Date by which Key Decision must be taken	November 2020
Reason why it was impracticable for decision to be on the Forward Plan	The scheme was on the Forward Plan for a key decision in September 2020 and the report was submitted to the relevant Cabinet Member at that time. However due to changes in the Cabinet, the new Cabinet Member with responsibility for the area concerned in the report was unable to take the decision until late October.
Reason why the decision cannot wait for inclusion in the next Forward Plan	The next Forward Plan to be published will be the January 2021 Forward Plan. Schemes are safety and school related, and intended to encourage active travel as lockdown is lifted. Funding is also at risk if the schemes cannot be implemented in the necessary timescales.
