## RECOMMENDATIONS

1. That, within seven clear working days of receipt of this report, the executive member reconsiders his decision on the allocation of funding to Southwark Circle 2009-10 – 2011-12 in the light of the following recommendations of the Overview & Scrutiny Committee:

That an accurate budget account is produced including both the base and predicted growth figures over the life of this funding agreement.

That clear and robust performance outcomes and targets are developed for monitoring the performance of Southwark Circle, with provision to terminate the funding agreement should the steering group consider that Southwark Circle is falling short of those agreed targets.

That the Memorandum and Articles of Association for the Community Interest Company be amended to ensure that at the end of the three year agreement, any surplus money is reinvested into other Southwark communities
