BACKGROUND INFORMATION

The Licensing Act 2003

3. The Licensing Act 2003 provides a licensing regime for:
 - The sale of and supply of alcohol
 - The provision of regulated entertainment
 - The provision of late night refreshment.

4. Within Southwark, the licensing responsibility is wholly administered by this council.
5. The Act requires the licensing authority to carry out its functions under the Act with a view to promoting the four stated licensing objectives. These are:
 - The prevention of crime and disorder
 - The promotion of public safety
 - The prevention of nuisance
 - The protection of children from harm.
6. In carrying out its licensing functions, a licensing authority must also have regard to
 - The Act itself
 - The guidance to the act issued under Section 182 of the Act
 - Secondary regulations issued under the Act
 - The licensing authority's own statement of licensing policy
 - The application, including the operating schedule submitted as part of the application
 - Relevant representations.
7. The premises licence application process involves the provision of all relevant information required under the Act to the licensing authority with copies provided by the applicant to the relevant responsible bodies under the Act. The application must also be advertised at the premises and in the local press. The responsible authorities and other persons within the local community may make representations on any part of the application where relevant to the four licensing objectives.

KEY ISSUES FOR CONSIDERATION

The premises licence application

8. On 4 March 2021 N1 Bar Limited applied to this council for the grant of a premises licence in respect of Victory Sports Bar, 1st Floor, 516 Old Kent Road, London, SE1 5BA.
9. The application is summarised as follows:
 - The provision of indoor sports, live music, recorded music, performance of dance, anything similar to live music, recorded music or performances of dance:
 - Sunday to Wednesday: 12:00 to 03:00
 - Thursday to Saturday: 12:00 to 05:00

- The sale of alcohol for consumption on the premises
 - Sunday to Wednesday: 12:00 to 03:00
 - Thursday to Saturday: 12:00 to 05:00
 - The provision of late night refreshment
 - Sunday to Wednesday: 23:00 to 03:00
 - Thursday to Saturday: 23:00 to 05:00
 - Proposed opening hours of the premises
 - Sunday to Wednesday: 12:00 to 03:30
 - Thursday to Saturday: 12:00 to 05:30.
10. The premises and the intended style of operation of the premises are described in the application as follows:

“Sports Bar located on the first floor of commercial premises on Old Kent Road above a nightclub with entrance and external area at ground level. The premises will provide regulated entertainment, late night refreshment and sale of alcohol.”

11. The premises licence application form includes an ‘operating schedule’. Parts C, E, F, G, H, I, J, K, L and M of the operating schedule set out the proposed licensable activities, operating hours and operational control measures in full with reference to the four licensing objectives. Should a premises licence be issued in respect of the application then the information provided in part M of the operating schedule will form the basis of conditions that will be attached to any licence granted subsequent to the application. Copies of the application and application plan are attached to this report as Appendix A.

Designated premises supervisor

12. The proposed designated premises supervisor (DPS) is Mr Orlando Victoria Ortiz.

Representations from responsible authorities

13. This council’s environmental protection team, the Metropolitan Police Service and this council’s licensing responsible authority submitted representations objecting to the application.
14. The environmental protection team note that according to this council’s statement of licensing policy the premises are located in a residential area. They also note that the closing time recommended for licensed premises in residential areas is 23:00 hours daily and also that night clubs are not deemed suitable to be located in residential areas.
15. The environmental protection team states that the premises have a prior history of complaints relating to noise nuisance, anti-social behavior and

crime and disorder. The environmental protection team notes that there is a residential block directly opposite the premises and further note that it is likely that more residential dwellings will be built in the vicinity of the premises.

16. The environmental protection team contend that should similar problems arise as those described above, subsequent to a new premises licence being granted in respect of the premises, it will be difficult for the premises' management to directly alleviate such problems and that these problems will have a significant negative impact on the local community at the hours proposed.
17. The Metropolitan Police Service note that the previous premises licence held in respect of the premises was revoked due to a serious violent incident at the premises, in addition to a history of violence and public nuisance associated with the premises. The Metropolitan Police Service further note that the applicant regarding this application, N1 Bar Limited, also holds a premises licence in respect of a premises known as No. 1 Bar, 1 Duke Street Hill, SE1 2SW (which is located in this borough).
18. The Metropolitan Police Service contend that No. 1 Bar is also described as a sports bar, but is in fact operated as a night club. The Metropolitan Police Service state that No. 1 Bar is associated with excessive alcohol consumption by its customers and with frequent serious violence. The Metropolitan Police Service notes that according to this council's statement of licensing policy the premises relating to this application are located in a residential area, that the closing times recommended for licensed premises in residential areas are 23:00 hours daily, and also that night clubs are not deemed suitable to be located in residential areas.
19. The licensing responsible authority notes that according to this council's statement of licensing policy the premises are located in a residential area, that the closing time recommended for licensed premises in residential areas is 23:00 hours daily, and also that night clubs are not deemed suitable to be located in residential areas.
20. The licensing responsible authority further notes that previous licensed operation of the premises impacted negatively on the prevention of crime and disorder and the prevention of public nuisance licensing objectives and that the previous premises licence held in respect of the premises was subsequently revoked at a licensing sub-committee premises licence review hearing.
21. The licensing responsible authority recommends that the closing times of the premises be amended to 23:00 hours daily, that an accommodation limit (i.e. the maximum number of customers to be permitted on the premises at any one time) is provided and that a dispersal policy is provided.
22. Copies of the representation submitted by responsible authorities are attached as Appendix B.

Representations from other persons

23. Seventeen representations objecting to the application were submitted on behalf of 18 'other persons'. The other persons all being local residents residing in the same residential block across the road from and directly opposite the premises. The other persons are referred to as parties 1 to 18.
24. The representations submitted by the other persons are concerned with a number of issues. They advise that the previous operation of the premises led to significant noise nuisance, anti-social behavior and crime and disorder in the locale, leading to severe distress for local residents. They advise that these problems were occurring for up to twelve years, that severe intoxication of customers at the premises had caused customers to be put in danger when trying to navigate the Old Kent Road and that these problems will be repeated if this application is granted.
25. The other persons also note that the applicant regarding this application (N1 Bar Limited) also holds a premises licence in respect of a premises known as No. 1 Bar, 1 Duke Street Hill, SE1 2SW (which is located in this borough) and that No. 1 Bar has been associated with similar problems as those caused by the previous operation of the premises to which this application relates. The other persons recommend that the application be refused.
26. **NB** – Party 8 has provided their name and address, but the representation that they submitted had party 4's name provided at the bottom of the representation. Please note that party 16's representation includes a licensing sub-committee hearing report pertaining to the Ground Floor, 516 Old Kent Road, which has been operated as a separate premises since 2008.
27. Copies of the representations submitted by the other persons are attached as Appendix C.

Conciliation

28. The applicant was sent copies of all the representations. The applicant was advised to contact the responsible authorities directly. The applicant was also advised that they could respond, via the Licensing Unit, to the representations submitted by the other persons.
29. At the time of the writing of this report all of the representations submitted remain outstanding and so must be considered by the licensing sub-committee. At the hearing to determine this application the licensing sub-committee will be apprised as to any conciliation, partial or full, of any of the responsible authorities or other persons.

Premises history

30. Prior to 2005 a Justice's licence, issued under the Licensing Act 1964, was held in respect of the premises. There are no council records available to show when the Justice's licence was originally issued, but it is known anecdotally that the premises have been licensed for the sale of alcohol and

the provision of entertainment for at least 30 years. The Justice's licence applied to both the ground floor and the first floor of the premises.

31. In 2005 the Justice's on licence was converted to a premises licence under the Licensing Act 2003. The premises licence was subsequently held by different parties until 2008 when a new premises licence application was submitted in respect of the first floor of the premises to have the effect of splitting the premises into two distinct licensed premises, one on the ground floor and one on the first floor, each operating under a separate premises licence.
32. The premises licence in respect of the first floor was surrendered and a new premises licence was applied for, and subsequently issued, in respect of the first floor of the premises, to The K-Che Club Limited on 17 February 2016.
33. Since 2016 the premises were operated as a nightclub known as 'K-CHE VIP Latin Club'. The last premises licence held in respect of the premises allowed for the following licensable activities:
 - The provision of live music and recorded music:
 - Sunday to Tuesday: 11:00 to 01:30
 - Wednesday to Thursday: 11:00 to 02:30
 - Friday and Saturday: 11:00 to 04:30
 - The sale of alcohol for consumption on the premises:
 - Sunday to Tuesday: 11:00 to 01:30
 - Wednesday to Thursday: 11:00 to 02:30
 - Friday and Saturday: 11:00 to 04:30
 - The provision of late night refreshment:
 - Sunday to Tuesday: 23:00 to 01:30
 - Wednesday to Thursday: 23:00 to 02:30
 - Friday and Saturday: 23:00 to 04:30
 - Opening hours of the premises
 - Sunday to Tuesday: 11:00 to 02:00
 - Wednesday to Thursday: 11:00 to 03:00
 - Friday and Saturday: 11:00 to 05:00.
34. On 3 December 2019 the Metropolitan Police Service applied to this licensing authority for the summary review of the premises licence issued in respect of the premises. In the review application the Metropolitan Police Service suggested that, as an interim step prior to the full review hearing to take place on 2 January 2020, the premises licence issued in respect of the premises should be suspended until the full review hearing of 2 January 2020.

35. An expedited licensing sub-committee hearing was held on 5 December 2019 to decide whether to implement the interim step suggested by the Metropolitan Police Service in their summary review application of 3 December 2019. The licensing sub-committee did not suspend the licence as was suggested by the Metropolitan Police Service, but determined that it was necessary to modify the premises licence to include additional conditions until the full review hearing was held on 2 January 2020.
36. At the full review hearing of 2 January 2020 the licensing sub-committee permanently imposed, on the premises licence issued in respect of the licence, the conditions that had been added to the same licence as an interim step on 5 December 2020. A copy of the notice of decision pertaining to the hearing of 2 January 2020 is attached in Appendix D.
37. On 3 March 2020 the Metropolitan Police Service applied to this licensing authority for the summary review of the premises licence issued in respect of the premises. In the review application the Metropolitan Police Service recommended that, as an interim step, the premises licence issued in respect of the premises should be suspended until the full review hearing scheduled to take place on 26 March 2020 was held.
38. An expedited licensing sub-committee hearing was held on 5 March 2020 to decide whether to implement the interim step suggested by the Metropolitan Police Service in their summary review application of 3 March 2020. The licensing sub-committee agreed that it was appropriate and proportionate to suspend the premises licence issued in respect of the premises with immediate effect until the full review hearing due to take place on 26 March 2020 was held.
39. Due to the restrictions put in place by the Government in respect of the Coronavirus outbreak it was not possible to proceed with the hearing scheduled to take place on 26 March 2020. With the agreement of the Metropolitan Police Service and the licensee the hearing that was postponed until 30 April 2020.
40. Because it was not possible for the review application (as per paragraph 32 above) to be determined within the mandated 28 days (pursuant to section 53 (A) (2) (b) of the Licensing Act 2003) the review application became invalidated. As a result, the Metropolitan Police submitted a further summary review application on 15 April 2020. In the review application the Metropolitan Police Service recommended that, as an interim step, the premises licence issued in respect of the premises should be suspended until the full review hearing scheduled to take place on 12 May 2020 is held.
41. An expedited licensing sub-committee hearing was held on 16 April 2020 to decide whether to implement the interim step suggested by the Metropolitan Police Service in their summary review application of 15 April 2020. The licensing sub-committee agreed that it was appropriate and proportionate to suspend the premises licence issued in respect of the premises with immediate effect until the full review hearing is held on 12 May 2020.

42. At the full review hearing of 12 May 2020 the licensing sub-committee permanently revoked the premises licence issued in respect of the premises. A copy of the notice of decision pertaining to the hearing of 12 May 2020 is attached in Appendix D.
43. On 4 March 2021 N1 Bar Limited applied to this council for the grant of a new premises licence in respect of Victory Sports Bar, 1st Floor, 516 Old Kent Road, London SE1 5BA.
44. **NB** – there is no suggestion that the previous licence holders, The K-Che Club Limited, have any connection to the applicants regarding this application (N1 Bar Limited). The above operating history is to provide context as to issues that have arisen when the premises have been operated as a late night venue in recent years.

Deregulation of entertainment

39. On 6 April 2015 entertainment became deregulated and as a result:
 - Live unamplified music is deregulated between 08:00 and 23:00 on any premises.
 - Live amplified music and recorded music are deregulated between 08:00 and 23:00 at on licensed premises for an audience of up to 500 people.
 - Plays and the performance of dance are deregulated between 08:00 and 23:00 for an audience of up to 500 people.
 - Indoor sporting events are deregulated between 08:00 and 23:00 for an audience of up to 1000 people.
40. Live music and recorded music can become licensable in on-licensed premises if the licensing authority removes the effect of deregulation following a licence review ('licence review mechanism').
41. The showing of films has not been de-regulated.

Business and Planning Act

42. The provisions in the Act temporarily modify the Licensing Act 2003 to provide an automatic extension to the terms of most premises licences which only permit the sale of alcohol for consumption on the premises to allow the sale of alcohol for consumption off the premises. This will make it easier for licensed premises to sell alcohol to customers for consumption off the premises in England and Wales, which will allow businesses to trade and maintain social distancing.

Map

43. A map showing the location of the premises is attached to this report as Appendix E. The following licensed premises are also shown on the map and provide licensable activities as stated:

Club 701, Basement and Ground Floors, 516 Old Kent Road, London, SE1 5BA licensed for:

- The provision of plays, films, live music, recorded music, performances of dance, anything similar to live music, recorded music and performances of dance, and the sale of alcohol to be consumed on the premises:
 - Wednesday: 22:00 to 02:00
 - Thursday to Saturday: 22:00 to 04:00
 - Sunday: 22:00 to 01:00
- The provision of late night refreshment:
 - Wednesday: 23:00 to 02:00

McDonald's Restaurants, 518 Old Kent Road, London, SE1 5BA licensed for:

Southwark council statement of licensing policy

44. Council assembly approved Southwark's statement of licensing policy 2021 - 2026 on 25 November 2020. The policy came into effect on 1 January 2021. Sections of the statement that are considered to be of particular relevance to the sub-committee's consideration are:

- Section 3 - Purpose and scope of the policy. This reinforces the four licensing objectives and the fundamental principles upon which this Authority relies in determining licence applications
- Section 5 – Determining applications for premises licences and club premises certificates. This explains how the policy works and considers issues such as location; high standards of management; and the principles behind condition setting.
- Section 6 – Local cumulative impact policies. This sets out this authority's approach to cumulative impact and defines the boundaries of the current special policy areas and the classifications of premises to

which they apply. To be read in conjunction with Appendix B to the policy.

- Section 7 – Hours of operation. This provides a guide to the hours of licensed operation that this Authority might consider appropriate by type of premises and (planning) area classification.
 - Section 8 – The prevention of crime and disorder. This provides general guidance on the promotion of the first licensing objective.
 - Section 9 – Public safety. This provides general guidance on the promotion of the second licensing objective.
 - Section 10 – The prevention of nuisance. This provides general guidance on the promotion of the third licensing objective.
 - Section 11 – The protection of children from harm. This provides general guidance on the promotion of the fourth licensing objective.
45. The purpose of Southwark's statement of licensing policy is to make clear to applicants what considerations will be taken into account when determining applications and should act as a guide to the sub-committee when considering the applications. However, the sub-committee must always consider each application on its own merits and allow exceptions to the normal policy where these are justified by the circumstances of the application.
45. The statement of licensing policy states that the premises are located in a residential area. Below are closing times for various types of premises in residential areas in Southwark as suggested in the statement of licensing policy:
- Restaurants, cafes and takeaway establishments:
 - Monday to Sunday: 23:00
 - Public houses, wine bars or other drinking establishments:
 - Monday to Sunday: 23:00
 - Event premises/spaces where sale of alcohol is included in, and ancillary to, range of activities including meals:
 - Monday to Sunday: 23:00
 - Night clubs:
 - Not considered suitable for residential areas

Resource implications

46. A fee of £315.00 has been paid by the applicant in respect of this application, that fee being the statutory fee payable for premises within non-domestic rateable value band 'C'.

Consultation

46. Consultation has been carried out on this application in accordance with the provisions of the Licensing Act 2003. A public notice was published in a local newspaper and similar notices were exhibited outside of the premises for a period of 28 consecutive days.

Community impact statement

47. Each application is required by law to be considered upon its own individual merits with all relevant matters taken into account.

SUPPLEMENTARY ADVICE FROM OTHER OFFICERS

Director of Law and Governance

48. The sub-committee is asked to determine the application for a premises licence under Section 17 of the Licensing Act 2003.
49. The principles which sub-committee members must apply are set out below.

Principles for making the determination

50. The sub-committee is asked to determine the application for a premises licence under section 17 of the Licensing Act 2003.
51. The principles which sub-committee members must apply are set out below.
52. The general principle is that applications for premises licence applications must be granted unless relevant representations are received. This is subject to the proviso that the applicant has complied with regulations in advertising and submitting the application.
53. Relevant representations are those which:
 - Are about the likely effect of the granting of the application on the promotion of the licensing objectives
 - Are made by an interested party or responsible authority
 - Have not been withdrawn
 - Are not, in the opinion of the relevant licensing authority, frivolous or vexatious.

54. If relevant representations are received then the sub-committee must have regard to them, in determining whether it is necessary for the promotion of the licensing objectives to:
- To grant the licence subject to:
 - The conditions mentioned in section 18 (2)(a) modified to such extent as the licensing authority considers necessary for the promotion of the licensing objectives
 - Any condition which must under section 19, 20 or 21 be included in the licence.
 - To exclude from the scope of the licence any of the licensable activities to which the application relates.
 - To refuse to specify a person in the licence as the premises supervisor.
 - To reject the application.

Conditions

55. The sub-committee's discretion is thus limited. It can only modify the conditions put forward by the applicant, or refuse the application, if it is necessary to do so. Conditions must be necessary and proportionate for the promotion of one of the four licensing objectives, and not for any other reason. Conditions must also be within the control of the licensee, and should be worded in a way which is clear, certain, consistent and enforceable.
56. The four licensing objectives are:
- The prevention of crime and disorder
 - Public safety
 - The prevention of nuisance
 - The protection of children from harm.
57. Members should note that each objective is of equal importance. There are no other licensing objectives, and the four objectives are paramount considerations at all times.
58. Conditions will not be necessary if they duplicate a statutory position. Conditions relating to night café and take away aspect of the license must relate to the night time operation of the premises and must not be used to impose conditions which could not be imposed on day time operators.
59. Members are also referred to the Home Office Revised Guidance issued under section 182 of the Licensing Act 2003 on conditions, specifically section 10.

Reasons

60. If the sub-committee determines that it is necessary to modify the conditions, or to refuse the application for a premises licence application, it must give reasons for its decision.

Hearing procedures

61. Subject to the licensing hearing regulations, the licensing committee may determine its own procedures. Key elements of the regulations are that:
- The hearing shall take the form of a discussion led by the authority. Cross examination shall not be permitted unless the authority considered that it is required for it to consider the representations.
 - Members of the authority are free to ask any question of any party or other person appearing at the hearing.
 - The committee must allow the parties an equal maximum period of time in which to exercise their rights to:
 - Address the authority
 - If given permission by the committee, question any other party.
 - In response to a point which the authority has given notice it will require clarification, give further information in support of their application.
 - The committee shall disregard any information given by a party which is not relevant to the particular application before the committee and the licensing objectives.
 - The hearing shall be in public, although the committee may exclude the public from all or part of a hearing where it considers that the public interest in doing so outweighs the public interest in the hearing, or that part of the hearing, taking place in private.
 - In considering any representations or notice made by a party the authority may take into account documentary or other information produced by a party in support of their application, representations or notice (as applicable) either before the hearing or, with the consent of all the other parties, at the hearing.
62. This matter relates to the determination of an application for a premises licence under Section 17 of the Licensing Act 2003. Regulation 26(1) (a) requires the sub-committee to make its determination at the conclusion of the hearing.

Council's multiple roles and the role of the licensing sub-committee

63. Sub-committee members will note that, in relation to this application, the council has multiple roles. Council officers from various departments have

been asked to consider the application from the perspective of the council as authority responsible respectively for environmental health, trading standards, health and safety and as the planning authority.

64. Members should note that the licensing sub-committee is meeting on this occasion solely to perform the role of licensing authority. The sub-committee sits in quasi-judicial capacity, and must act impartially. It must offer a fair and unbiased hearing of the application. In this case, members should disregard the council's broader policy objectives and role as statutory authority in other contexts. Members must direct themselves to making a determination solely based upon the licensing law, guidance and the council's statement of licensing policy.
65. As a quasi-judicial body the licensing sub-committee is required to consider the application on its merits. The sub-committee must take into account only relevant factors, and ignore irrelevant factors. The decision must be based on evidence, that is to say material, which tends logically to show the existence or non-existence of relevant facts, or the likelihood or unlikelihood of the occurrence of some future event, the occurrence of which would be relevant. The licensing sub-committee must give fair consideration to the contentions of all persons entitled to make representations to them.
66. The licensing sub-committee is entitled to consider events outside of the premises if they are relevant, i.e. are properly attributable to the premises being open. The proprietors do not have to be personally responsible for the incidents for the same to be relevant. However, if such events are not properly attributable to the premises being open, then the evidence is not relevant and should be excluded. Guidance is that the licensing authority will primarily focus on the direct impact of the activities taking place at the licensed premises on members of the public, living, working or engaged in normal activity in the area concerned.
67. Members will be aware of the council's code of conduct which requires them to declare personal and prejudicial interests. The code applies to members when considering licensing applications. In addition, as a quasi-judicial body, members are required to avoid both actual bias, and the appearance of bias.
68. The sub-committee can only consider matters within the application that have been raised through representations from other persons and responsible authorities. Interested parties must live in the vicinity of the premises. This will be decided on a case to case basis.
69. Under the Human Rights Act 1998, the sub-committee needs to consider the balance between the rights of the applicant and those making representations to the application when making their decision. The sub-committee has a duty under section 17 Crime and Disorder Act 1998 when making its decision to do all it can to prevent crime and disorder in the borough.

70. Other persons, responsible authorities and the applicant have the right to appeal the decision of the sub-committee to the magistrates' court within a period of 21 days beginning with the day on which the applicant was notified by the licensing authority of the decision to be appealed against.

Guidance

71. Members are required to have regard to the Home Office guidance in carrying out the functions of licensing authority. However, guidance does not cover every possible situation, so long as the guidance has been properly and carefully understood, members may depart from it if they have reason to do so. Full reasons must be given if this is the case.

Strategic Director of Finance and Governance

72. The head of regulatory services has confirmed that the costs of this process over and above the application fee are borne by the service.
