APPLEGARTH	£5,000	£2,000	£3,000	Some of the cost included in the project relate to cleaning of an area, these cost should come from maintenance budgets.	Redesign & Renovation of Entry Area to Applegarth House. Renovation of the front gardens by gardening volunteers, to take the opportunity to maximise the existing space. The proposed redesign introduces small changes such as moving the bin shelters to a less visible location at the back, opening the area for residents to enjoy the entry garden; planting greenery and bulbs in the entry garden, installing a small greenhouse for residents to plant vegetables and improving the general appearance of the main entry and our building. BESSEMER GRANGE T&R A	£4,997	£4,997	£0	N/A	<b>Circus and Performance Skills Summer Project and After School Club.</b> The main people to benefit from this project will be young people aged 6 – 16 years. The 2019 LBS multi-ward survey for South Southwark showed that the Champion Hill Ward has higher than average levels of childhood obesity and higher levels of 0-15s in out-of-work benefit households. The project will target these groups specifically through a programme of outreach before the project begins. The new circus and performance skills that participants will gain will increase their confidence levels, improve health, and overcome isolation. This type of activity is valuable for people who may not yet be confident in speaking English but have vast amounts of untapped talent. Parents and guardians will be encouraged to support	Camberwell Green

Delawyk Resident Management Organisation Ltd	£164	£164	£0	N/A	<b>Neighbourhood gardening project.</b> Established a group of residents across both council and owner-occupied tenures who are keen to come together voluntarily to grow flowers and food plants in the spare beds, improve the overall environment of the estate, and respond to individual requests for gardening help from older residents. Funding is for plants and a small amount of equipment. The group is led by a council tenant and involves small children, teenagers, working age adults and older people and comprise both experienced and novice gardeners. Some of the group members live alone, while others are in families with a range of ages. The participants benefit from social interaction (as those living alone are at risk of loneliness after a year of lockdowns and restrictions), intergenerational connection and peer-to-peer learning opportunities. BRANDON 1 TRA	£3,300	£2,800	£500	PA/Stage/Backline hire cost seems high when compared to market rates.	<b>Summer Concerts &amp; Picnic.</b> These are culturally diverse music performances for residents to enjoy.	Newington
SURREY GARDENS	£2,000	£1,000	£1,000	The TRA received £500 through GIG 20/21 for the same project last year.	<b>Christmas Fayre</b> This is an annual event that brings together the local community to share time and celebrate together. The event provides free refreshments, free craft activities for children, free competitions, music, stalls, free Christmas present from Santa and, every importantly, gives all neighbours the chance to meet live reindeer. This is the largest part of the budget but contact with animals is known to have stress reducing effect on humans. <i>*The agreement of this grant allocation is recommended in principle, pending checks to confirm the provenance of the reindeer, any licensing requirements and welfare standards as well as all relevant risk assessments.</i>	Newington
SURREY GARDENS	£2,000	£2,000	£0	N/A	<b>The Big Dig</b> There have been no social get togethers for the TRA since the Christmas Fayre 2019. This project will bring an opportunity to get together safely. The Big Dig to act as a get-together opportunity that will give some outdoor exercise and a meet-up whilst being COVID-compliant. ARARA. ASTBURY ROAD AREA RESIDENTS ASSOCIATION	£4,950	£4,950	£0	N/A	<b>Getting Involved Community Projects.</b> To offer learning opportunities to around 1,500 residents as well as advertising events in four community notice boards, to join in with tutor lead projects. Expects a 15% take-up, this equates to approximately 225 attendees. The knock-on effect of this will help develop skills; improve personal health and strengthened neighbourly relationships. This will benefit individuals and the wider community even those who haven't attended any projects. This is based on positive feedback and the encouragement to continue offering community projects. UNWIN AND FRIARY	£4,560	£3,700	£860	Football Coach cost look high compared to market rate, proposed adjustment to reflect this.	<b>Youth Football Club and Sewing Class.</b> The football club has been running for over five years and the number of participants have steadily increased. The programme was halted because of Covid19 lockdown. There is an average of 25 youths that participates every week. Due to covid19, we will change how the programme is delivered to ensure safety is maintained. The Sewing Class attracts people of all age groups. Currently we have residents between ages 16 and 60. Regular attendants range from 10 to 12 on Saturdays. Both the young people and their parents will benefit. The young people will get football training from a professional coach and the parents will get reprieve for about 2 hours knowing their children are doing something worthwhile. The Sewing class teaches residents life skills in sewing. This programme has save residents money and have released their creative sides. By getting involved in football, our youths will become fitter, improve both mental and physical wellbeing.	Old Kent Road.

Our classes have made a impact with parents getting involved and supporting their children with sports activities allowing for physical fitness which adds to Health & Well being creating a harmonious & connected community	
Gloucester Grove Estate TMO	£4,000	£2,000	£2,000	The council has worked with partners to establish a network of food hubs and it is proposed that the applicant is supported to make contact to their local food hub so any ongoing need can be met. The proposal to grant half the funding applied for will help the transition.	<b>Helping Hands.</b> It will be focused at residents across Gloucester Grove Estate. Essentially, this is a food bank scheme which will be focussed at residents with varying circumstances. The idea is to ensure no individual or family are left on the fringes due to their specific economical circumstances. The scheme will also be aimed towards some of the vulnerable members of the community.	Peckham
RUSSELL COURT SHU	£5,000	£5,000	£0	N/A	<b>Real Meals 'Eat Healthy and Exercise'.</b> This programme of three 10 week sessions is to build a healthy network of local older people living in sheltered housing and in the Copleston community area. This is an SHU and community partnership with the Copleston Centre and with professional services from Level Six promoting the benefits of exercise and diet by guiding older people towards improved physical and mental health and reduce isolation for those living alone.
