Dear Sir/Madam

Re: Forevergood, 54 Druid Street, London

Police are in possession of an application from the above for a new premises licence for the sale of alcohol on & off the premises. The terminal hour as requested are outside the guidelines set out in the Southwark Statement of Licensing. The recommended hours for this area are Sunday to Thursday 23.00hrs and Friday to Saturday 00.00hrs.

A number of control measures have been offered by the applicant within the operating schedule, and the application. The Home office guidance issued under Sec 182 of the licensing Act 2003 'General principles' state that it is important in setting the parameters within which the premises may operate. Conditions must be precise and enforceable.

No accommodation limit has been supplied within the application which does not allow for me to assess if SIA are required.

In its current format, I object to this granting of this licence, the applicant has not fully addressed the licensing objectives, in particular the prevention of crime and disorder licensing objective.

Under current Coronavirus Legislation condition, 5 below would in partial not be enforceable but the police have to consider the future implications of any application, which is why we have included it within the representation.

If the information requested is supplied the following control measures should be agreed and added to the operating schedule before the premises licence is granted.

1. That a CCTV system be installed at the premises and be maintained in good working order and be continually recording at all times the premises are in use under the licence. The CCTV System must be capable of capturing a clear facial image of every person who enters the premises
2. All CCTV footage be kept for a period of 31 days and shall on request be made immediately available to officers of the police and the council.
3. A member of staff should be on duty at all times the premises is open that is trained in the use of the CCTV and able to view and download images to a removable device on request of Police or council officer.
4. That all staff are trained in their responsibilities under the licensing act 2003 and training records to be kept and updated every 6 months and shall, upon request, be made immediately available to Officers of the Police and the Council.
5. All off sales of alcohol shall be sold in sealed containers.
6. Customers shall use no outside area after 22.00hrs other than those who temporarily leave the premises to smoke a cigarette and No more than 5 people at one any time.
7. That SIA registered door supervisors will be engaged when the premises are in operation Thursday, Friday, Saturday and Sunday and will be employed at all times until the end of business and all patrons have vacated the premises.

Submitted for your consideration.
Yours Sincerely

The hours you applied for are outside that recommended for your area in the Southwark statement of Licensing policy which is available to view on the council website.

We would like to see a closing time of Sunday to Thursday 23.00hrs and Friday to Saturday 00.00hrs with all alcohol sales stopping 30 minutes prior. This would be in line with other premises in the area.

We would also like to see the following conditions:-

1. That a CCTV system be installed at the premises and be maintained in good working order and be continually recording at all times the premises are in use under the licence. The CCTV System must be capable of capturing a clear facial image of every person who enters the premises
2. All CCTV footage be kept for a period of 31 days and shall on request be made immediately available to officers of the police and the council.
3. A member of staff should be on duty at all times the premises is open that is trained in the use of the CCTV and able to view and download images to a removable device on request of Police or council officer.

Subject Re: Forevergood, 54 Druid Street, London, SE1 2EZ

– Application for a premises licence

I write with regards to the above application for a premises licence submitted Sebastian Downing under the Licensing Act 2003, which seeks the following licensable activities:

- Supply of alcohol (on and off the premises) on Monday to Sunday from 09:00 to 00:00
- Overall opening times shall be on Monday to Sunday from 09:00 to 00:30 the following day

The premises is described within the application as *'The premises trades as a retail shop with a gallery, café and creative space, and is seeking to retail alcohol for consumption on and off the premises'*.

My representation is submitted under the prevention of crime and disorder and the prevention of public nuisance licensing objectives and has regard to the Southwark Statement of Licensing Policy 2021 - 2026.

The premises is situated in a residential area and under the Southwark Statement of Licensing policy 2021 - 2026 the appropriate closing times for restaurants; cafes, public houses, wine bars or other drinking establishments is 23:00 daily. This application seeks in excess of the appropriate closing times.

Therefore in the interest of promoting the licensing objectives I ask the applicant to consider amending the closing times so that they are in line with the appropriate closing times within the licensing policy for this area and also the licensable activities and so that the 'on sales' of alcohol shall cease at least half hour before the closing time (to allow for half an hour drinking up time) as follows:

- Supply of alcohol (off the premises) to cease at 23:00 on Monday to Sunday
- Supply of alcohol (on the premises) to cease at 22:30 on Monday to Sunday
- Opening times shall cease at 23:00 on Monday to Sunday

Due to the limited information on the application form and to promote the licensing objectives I ask the applicant to provide the following information:

- An accomodation limit for the premises. (to be conditioned)
- To provide a written dispersal policy for the premises. (to be conditioned)

And to add the following conditions to the operating schedule as follows:

- Any '*off sales*' of alcohol shall be provided in sealed containers and taken away from the premises.
- That clear legible signage shall be prominently displayed where it can be easily seen and read, requesting that alcohol sold as '*off sales*' should not be opened and consumed in the vicinity of the premises

I may submit further comments once all the information has been provided.

I therefore submit this representation and welcome any discussion with the applicant.

Dear Stuart,

With reference to the representation submitted by me as responsible authority for licensing. Thank you for confirming your accommodation limit and sending me the dispersal policy (which I have attached to this email).

There are several emails with different parts agreed to, so to avoid any confusion can you confirm that you agree to the following:

To amend the operating schedule as follows:

- Supply of alcohol (off the premises) to cease at 23:00 on Monday to Sunday
- Supply of alcohol (on the premises) to cease at 22:30 on Monday to Sunday
- Opening times shall cease at 23:00 on Monday to Sunday

To add the following conditions to the operating schedule:

- The accommodation limit for the premises shall not exceed 150 persons (excluding staff)
- The written dispersal policy shall be kept at the premises with the licence and made available for inspection by authorised council officers or the police. All relevant staff shall be trained in the implementation of the dispersal policy
- Any 'off sales' of alcohol shall be provided in sealed containers and taken away from the premises.
- That clear legible signage shall be prominently displayed where it can be easily seen and read, requesting that alcohol sold as 'off sales' should not be opened and consumed in the vicinity of the premises

If you can confirm that you are in agreement with all of the above I will be in a position to withdraw my representation,

With kindest regards
Jayne
